to Director, 5/5/65.

[redacted] BSS, NYCPD, advised
SA JAMES D. BRODY on 5/18/65 that on 5/15/65, he
had encountered JAMES H. MADOLE, National Renaissance
Party (NRP) leader in the vicinity of Broadway and
47th Street, NYC. On this occasion MADOLE informed
[redacted] that his appeal from his conviction
would be heard sometime in early September, 1965, and
the outcome of that appeal will determine how active
the NRP becomes. MADOLE stated that should he win his
appeal, there can be an expected increase in NRP
activity. Should he lose his appeal, there won't
be any activity since he will be serving his sentence
in jail. MADOLE stated that there will be no real
NRP activity until the status of his appeal is
determined in September, 1965.

For the information of the Bureau, [redacted]
[redacted] furnish information
regarding social gatherings which are continuing to
be held by JAMES H. MADOLE on Thursday and Sunday
evenings at his apartment, 10 West 90th Street, NYC.

NYO continues to receive hate-literature
bearing the return address of JAMES H. MADOLE, which
literature had been mailed unsolicited to numerous
individuals in the NYC area.

NYO will continue to follow the activities of
the NRP and will keep the Bureau advised as to the
progress being made in connection with its reactivation.

The National Renaissance Party

On July 24, 1965, a Special Agent of the Federal Bureau of Investigation observed a demonstration sponsored by the National Renaissance Party (NRP) between the hours 12:00 PM and 2:00 PM at 9 East 42nd Street, New York City, the campaign headquarters of New York Mayoralty candidate, John V. Lindsay.

A characterization of the National Renaissance Party appears in the appendix attached hereto.

Three male pickets wearing NRP uniforms and a female picket were led by NRP National Director, James H. Madole, who wore a suit.

The pickets carried placards which read:

"Blacks For Lindsay, Whites For Buckley"

"Join the NRP To Fight Communism"

"Mr. Lindsay Did Your Children Attend An Integrated School"

Madole distributed handbills, a copy of which is attached.

There were no incidents and no arrests during the picketing. A crowd of approximately 50 persons observed the demonstration.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

APPENDIX

NATIONAL RENAISSANCE PARTY

On July 16, 1963, a source stated that the National Renaissance Party (NRP) is an anti-semitic, anti-Christian, anti-Negro, and neo-Fascist organization, with activities generally confined to the New York City area. It was founded in 1949, by JAMES H. MADOLE, who is in complete control of the party. The party's main function is distribution of the National Renaissance Bulletin on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of JAMES H. MADOLE at 10 West 90th Street, New York City.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954, stated NRP activities and propaganda are clearly subversive and un-American.

On July 30, 1964, [REDACTED] Bureau of Special Services, New York City Police Department, advised that all activities of the NRP have ceased and apparently will not resume for some time since JAMES H. MADOLE is presently serving a two year sentence imposed on him on July 16, 1964, on a charge of riot.

JOHN LINDSAY IS A POLITICAL TOOL OF WELL ORGANIZED RACIAL MINORITY GROUPS!

HOW ABOUT SOME "CIVIL RIGHTS" FOR WHITE AMERICANS?

1. John Lindsay, like his Democratic opponent, favors a CIVILIAN REVIEW BOARD to politically emasculate the heroic efforts of the New York Police in maintaining the rule of law and order. This diabolical plan was originated by the Communist Party in 1935 to hamper law enforcement in American cities marked for violent revolutionary activity. Negro agitator, Martin Luther King, who attended a Communist-training school (the Highlander Folk School in Monteagle, Tennessee) is planning a series of mass demonstrations in New York City this summer. OUR REPUBLICAN POLITICIANS INTEND TO PLACE NEGRO AND JEWISH AGITATORS ON THE "CIVILIAN REVIEW BOARD" TO INSURE THAT "CIVIL RIOTS" THUGS AND BEATNIKS DON'T GET ARRESTED.
2. The "CIVIL RIGHTS" agitators demand that American Labor Unions see to it that Black workers replace White workers "in compensation for 300 years of slavery". White workers shall lose their hard won seniority rights in their own unions and be forced to surrender their jobs to hordes of Black laborers backed up by the Democrats and Republicans.
3. Millions of White Americans are being displaced from their old, low rent homes in New York City and compelled to move into forcibly integrated, low rent public housing by our Democratic and Republican politicians. These White citizens have been terrorized by Negro muggers, rapists, and narcotics addicts who share these collectivist housing projects with their White neighbors. Human excrement and urine are found periodically in the elevators which are unsafe for use if self-operated. Our major parks, subways and public thorough-fares have been turned into nightmare regions at nightfall BUT LINDSAY AND HIS DEMOCRATIC OPPONENT DARE NOT TAKE ACTION TO PROTECT WHITE AMERICANS FOR FEAR OF LOSING JEWISH AND NEGRO VOTES!
4. WE URGE WHITE AMERICANS TO VOTE FOR THE CONSERVATIVE CANDIDATE, WILLIAM J. BUCKLEY, FOR MAYOR OF NEW YORK CITY UNLESS THEY WANT TO CONTINUE TO COWER INDOORS AFTER DARK. BUCKLEY IS BY FAR THE LESSER OF THREE EVILS!

Let's give White Americans a chance to support their champions. The National Renaissance Party was created in 1949 under the leadership of James H. Madole. Our basic philosophy calls for the creation of a strong, authoritarian, Racial Nationalist State in the United States whose sacred mission will be to unite the White peoples of this earth into a White Imperium to insure the survival of our creative species. We believe in a government, not by ballot-box political hacks, but by a trained intellectual elite which has arisen by competition from the ranks and loins of our White Race to govern us wisely and well. We demand the right to perpetuate a policy of racial separation for the purpose of preserving the cultural heritage of the White Race and passing it on to our children. We demand a selective immigration policy from European stock which will uplift rather than downgrade the cultural standards of this mighty White nation.

[redacted] Bureau of Special Services, New York City Police Department (BSS, NYCPD), advised on October 12, 1965, that on October 11, 1965, from 7:55 PM to 9:05 PM, the National Renaissance Party (NRP) held a street rally, known as a "Civil Rights for Whites Rally", at 84th Street and Second Avenue, New York, New York (NY, NY).

[redacted] advised there were approximately 1400 spectators and 8 NRP members in attendance.

At 8:15 PM, [redacted] NRP member, wearing a khaki uniform, black boots and red armband with bolt of lightning, introduced the first speaker, Bob Burros, an NRP member.

Bob Burros, stated that the NRP is in a favor of white racial supremacy which is on the decline because of the "liberal politicians". He further stated that the white man brought civilization to this country. At this point in his speech, the spectators began booing and the rest of his speech was inaudible.

James H. Madole, NRP leader, was the next speaker. His remarks were inaudible due to the poor public address system and catcalls from the spectators.

On May 19, 1965, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro, and neo-Fascist organization with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the Party. On March 4, 1965, Robert Joseph Burros, 215 First Street, Newburgh, New York, advised that he is the National Secretary of the NRP and as such is second in command to James H. Madole, National Director. Mr. Burros stated that the NRP is a fascist organization but that it operates openly. He stated that the NRP advocates the use of the ballot in order to win a national election and take over the government. If the NRP should gain power it would then proceed to change the constitution in a legal way in order to give it the right to use militant means in dealing with those who would seek to overthrow this democracy such as the Communist Party.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954, stated that NRP activity and propaganda are clearly subversive and un-American.

On September 29, 1964, a second source advised that on July 16, 1964, James H. Madole, National Director of the NRP, was sentenced to two years in jail following his conviction on a charge of riot.

Subsequent to July 16, 1964, all activities of the NRP appeared to have been suspended. As of September 29, 1964, James H. Madole was free on bail pending an appeal on his conviction and sentencing on July 16, 1964. This source advised that the NRP would not be reactivated by Madole who feared that such reactivation might jeopardize his appeal.

On May 18, 1965, [REDACTED] Bureau of Special Services, New York City Police Department, advised that on May 15, 1965, he had been informed by James H. Madole that his appeal would be heard sometime in early September, 1965. Madole further stated future activities of the NRP would depend on the outcome of that appeal. James H. Madole, National Director of the NRP, was the speaker. During his speech, Madole stated that the Government must change its program which favors organized Jews and Negroes in the United States. As a result the Jews are robbing the people and the Negroes form drunken mobs and riot on weekends. Madole denounced integration on the basis that it breeds mongrels. Due to this mongrelization people are not pure anymore.

According to this source, there were approximately 1000 spectators who booed and hissed and threw some eggs and tomatoes during Madole's speech. There were no arrests or incidents.

Madole was free on bail pending an appeal on his conviction and sentencing on July 16, 1964. This source advised that the NRP would not be reactivated by Madole who feared that such reactivation might jeopardize his appeal.

On May 18, 1965, [redacted] Bureau of Special Services, New York City Police Department, advised that on May 15, 1965, he had been informed by James H. Madole that his appeal would be heard sometime in early September, 1965. Madole further stated future activities of the NRP would depend on the outcome of that appeal. Should he win his appeal, Madole stated there could be an expected increase in NRP activities. Should he lose, there will not be any activity since he will be sent to jail. Madole stated there will be no real NRP activity until the status of his appeal is determined in September, 1965.

Who Is the Real Enemy?

The smug, self-satisfied American, constantly reminded of his million-dollar school buildings, deluged with literature and "information," ignorantly believes he knows what is happening in this crazy, mixed-up world in which we live today. The mysterious powers controlling this barrage of propaganda try to keep the American people occupied with sex, sports, and something-for-nothing, yet we see daily that some sinister invisible power is dragging our great nation down, down, down.

IS EVERYTHING ALL RIGHT?

While we are taxed as no other people in history, we are daily reminded how virtuous we are to submit to this ever-increasing legal robbery. We see our bankrupt Federal Government generously handing out lavish gifts and vast domestic subsidies, which seem to create only further excuses to justify more and more crushing taxation and Federal seizure of all power.

We have been forced to fight three bloody wars for which our nation gained nothing but gigantic debts and victory for World Communism. We are being mysteriously conquered by the Illuminati House-of-cards, that is struggling desperately just to maintain its frightful oppression over some billion most unwilling subjects, who could be easily aided to overthrow their hated Red Masters. Yet our government squanders the fabulous monies, which it extracts from us in the name of defense, only to aid Communism to swallow the world!

We are daily subjected to movies, television programs, and literature that continuously belittle the strong, intelligent White Man and glorify the weak, the effeminate, and depraved, the Jew, and the Negro.

We are frequently told that the magnificent White Race that created modern civil-

ization is doomed to subjection by the unimaginative, complacent, docile coloreds, whom we could easily *exterminate in toto* if we so had a mind.

WHY?

Who has decreed that the greatest people in the world should just lie down and die? These questions have been seriously investigated by a dedicated and intelligent handful of inquisitive patriots who refuse to believe that they must submit without a fight to degradation, mongrelization, and slavery in its most hideous form.

The reasons behind all these illogical "bunglings" always stem ultimately from the same source, the fantastic conspiracy of an alien minority to persuade the rest of humanity to enslave and destroy *each other*. This exceedingly clever, diabolical scheme is rapidly approaching complete achievement, and YOU are in dire peril. THIS IS RACE WAR TO THE DEATH!

JEWISH RACIAL DISCRIMINATION

You are continuously cajoled that *race is a myth*, yet the *Jewish Race* who bombard you with this stupendous lie deny it in their *every act*! There has never in all history been such a bigoted, race-conscious group — their every act from cradle to grave is guided first, last and always to preserving and advancing the Jews at the *expense* of all others.

Do they integrate? Do they practice brotherhood toward you? Do they aid needy Gentiles with the fabulous *tax-free* donations to Jewish "charities?" What Jews do you know who are in need of charity? Their bureau of propaganda, the American Jewish Committee, and their secret police, the Anti-Defamation League, are they *charities*? Why are donations to their trouble-making, hatred and strife-creating NAACP permitted to go tax-free?

Did you know that the Jews have cold-bloodedly murdered since 1917 *over a hundred million* of the best non-Jews trapped in the clutches of their horrible Communism in order to deprive the enslaved Gentiles of all intelligence, all courage, all devotion, and all morality? Did you know they are openly

discussing forced mixed marriages (White-Negro)?

Has it ever occurred to you that the Jews fumed and breathed fire and hatred about their Nazi "exterminators" and pushed us into total war to make the world safe for the Jews, yet to your knowledge not one of the many Jews you know ever joined in the bloody fighting against their alleged "liquidators"?

How could the Jews almost to a man escape front-line duty? What mysterious power effected this outrage against the Gentiles? Have you ever stopped to wonder? And while you and your kind were suffering and dying, millions of Jewish "refugees" (*invaders*) poured into this country as though no immigration laws existed, while Gentiles found it almost impossible to come to America. While you fought and bled, the Jews bilked our people out of billions of dollars in crooked war contracts, their "sacrifice on the Home Front"!

THE ROLE OF THE NEGRO

Although the Jews publicly pretend to be champions for the Negro, you should know that they try hard to conceal the fact that they despise the Negro as much as they despise us. Why this sudden interest in the Negro? Because they find the Negro a most useful tool to destroy us. The childish Africans are even more susceptible to their brain-scrambling propaganda than you are, and are completely incapable of leadership.

They are using the Negro for two purposes: to degrade, corrupt, and mongrelize you and your children, and to form a trained-ape Red MauMau Army to protect the Jews in case you wake up before it is too late. They are establishing a cordon of Negro zombies to protect them in Washington, the center of government, and in New York, the center of world Jewry, just in case we wake up before they take our guns away from us.

THE END OF THE WHITE RACE?

The Jews repeat daily that the White Race is on the road to oblivion — that the black savages of Africa, and the pitiful masses of India and China will do away with the White

Man — and you meekly believe it, for no one has ever told you the truth! The time has come to assess the situation honestly!

The European Whites became the dominant force of man because our leaders possessed the intelligence, the imagination, the courage, the energy, the morality to seize destiny in their own hands. Now that we have built a wonderful new world, shall we meekly permit a small band of effeminate pirates to despoil and destroy us? It seems inconceivable, but that is exactly what is happening!

THE ACHIEVEMENTS OF THE MODERN WHITE MAN

The people originating in the island of Great Britain have, with invaluable contributions by the other White Men of *European origin*, created modern civilization. The Negroes have always been completely incapable of contributing to civilization. The Asiatics almost ceased contributing nearly a thousand years ago. The Jews have contributed only microscopically, despite their fictitious claims.

Einstein and Freud, their most publicized "scientists" were highly imaginative speculators who have contributed more confusion to the orderly progress of science than they have useful knowledge. Salk, after being subsidized extravagantly by the Jewish-controlled Polio Fund, has produced a vaccine of questionable value. Yet the Jewish controlled Press hails them as the greatest scientific geniuses in history.

You poor vilified Anglo-Saxon and Celt, the Jews have yet to produce a Newton, a Dalton, a Darwin, a Lister, a Watt, a Bell, a George Stephenson, a Fulton an Edison, or any Wright brothers. And you good Christians whose forebearers came from the European continent, the Jews have yet to produce a Herschel, a Pasteur, an Arrhenius, a Lavoisier, a Gutenberg, a Galileo, a Leenwenhoek, or a Marconi. If the Jews are so smart, then why have they not been able to contribute more to modern civilization?

SPECIALIZED PARASITES

A Jew from tender age is trained to be a parasite, a despoiler, and an exploiter of men. He is a specialist in deceit, in trickery,

in exploitation of the "stupid Gentile". Elias Howe devised the sewing machine, but Isaac Singer robbed him of his invention and pocketed millions. Hazel Bishop developed an improved lipstick, but her Jewish "partner" pirated it away from her by tricking her into signing a fraudulent assignment and is making millions. Daguerre, Eastman, Edison and other White Gentiles combined inventions to make the motion picture possible, but a clique of Jewish financiers now own the movie industry, into which so many billions of dollars pour.

The Jews use code words so they can talk freely in front of "stupid Gentiles" without letting their intended victim know their intentions. Taking the Biblical story of how Jacob defrauded Esau out of his birthright, they brag that they are the dishonest Jacob (The Voice) and we are the defrauded Esau (The Hand)!

HOW ARE THEY DOING IT?

The Jews long conspired on the principle that through control of the purse they could rule the world, but to their sorrow they learned that after they had bought control in a country, its infuriated king would forcibly eject the unwelcome "vermin". So the Jews conspired to *remove the rulers* of all countries and turn government over to the brainless mob, which the conspirators found much easier to dupe, (Democracy).

At a meeting in 1870 Jewish leaders decided that, since they were always expelled when the Gentiles realized what happened, they must keep their victims in complete ignorance of what was happening — the Jews must gain *absolute control of the Press!*

CONTROL OF THE PRESS

With their unquestioned domination of European finance they readily accomplished this goal in Europe. Next they invaded the United States, since this country by then had been made safe and comfortable, and they set to work like termites to undermine us.

As we developed such new media of communication as radio, motion pictures, and television, the Jews stepped in with their su-

perior financing, their ruthless piracy, and Jewish discipline (*they* are ruled with an iron hand) and took possession of all means of mass communication. They proceeded in deadly earnest to scramble our brains, corrupt our morals, and prepare us for slavery.

CREATED DEPRESSION TO SEIZE POWER

Through their complete dominance of "Wall Street" they broke the stock market in October, 1929, by unloading their vast holdings of stocks and bonds. By withholding billions of dollars from circulation, they threw the economy of this country into utter chaos. As they have done often, they created a disaster and then obligingly offered to save us — for a price — *the price of our Constitutional Government*, which they have completely destroyed.

"Miracle-man" Roosevelt was actually an arrogant front-man, who was obliged to have Sam Rosenman even write his speeches and who, following the orders of his Jewish bosses (Bernard Baruch, Sidney Hillman, Felix Frankfurter, Henry Morgenthau), convinced us that we could no longer take care of ourselves. We have now been degraded to a dispicable caricature of our strong, brave, self-reliant, thrifty, moral ancestors. Be honest with yourself, are we not?

INVISIBLE ENEMY

We are taxed far past the point where *all* other people of the world have revolted! And we raise not a finger, because we do not even know against whom to revolt! We let the Jews slander, ridicule, and vilify us daily, while we are not even allowed to hint that any Jew could possibly do wrong. Has any Jew ever been sent to the penitentiary for the billions of dollars of income taxes we know they have evaded?

We let *the Jew destroy all our real leaders who could lead us in a revolt against Jewish World Enslavement*. What do you think happened to Charles Lindbergh, Sen. McCarthy, Rep. John Rankin, James Forrestal, Gen. Moseley, Gen. Douglas MacArthur, Sen. Wheeler, Larry Duggan, and Gen. Patton? They each tried to combat the Jewish Con-

spiracy, which many people still naively believe is Russian. "Communism."

SUPPRESSION OF THE TRUTH

Why are patriotic American newspapers unable to print the truth about the *Pharisaic Conspiracy*? First, because all newspapers depend, for National and International news, on the Jewish-censored wire services. Second, in less than an hour after a paper telling the truth about the Jewish chicanery hits the street, raging representatives from the B'nai B'rith will have the luckless editor backed up in a corner threatening to withdraw permanently all Jewish advertising (most of the paper's revenue), cancel all Jewish subscriptions, cut off his supply of paper (they now have a monopoly on this item), deny him recourse to Jewish financing (which now enjoys a strangle-hold in an ever-increasing number of cities), and call a strike through Jewish-controlled labor unions. Any reporter who writes the truth about the Jews is fired and his story "killed."

LET US PREPARE OUR DEFENSES

Where, oh where, are *our leaders* to take us out of the impending Red Hell? All the well-known ones have been destroyed by the Jews, with the generous aid of countless Gentile *trained stooges*. If the White Gentiles are to save themselves from being herded to the slaughter like docile sheep the time is long overdue to organize for the fight *against our real enemy*.

Learn who our enemy is, and how he intends to make you fight for your own enslavement! Learn what is happening to our unhappy world. Subscribe to publications which will tell you the truth. See that the uncensored facts are spread far and wide. Contribute your time and your money generously to *Patriotism — this is the only investment, the only charity now that counts!*

When you become fully alerted to the awful danger descending upon us, you will want to join us in organizing *secretly* for the fight to decide whether or not *we* have the right to exist on this earth as *human beings!*

If we are so demoralized, so stupid, so de-

praved as not to care, then we shall pay the awful penalty against this most hideous crime against our forebearers and our posterity — *our race of people will disappear from the earth!*

If we can liberate our country from the deadly clutches of the Pharisaic vultures, Communism throughout the world will fall, along with its architects, like an over-ripe apple. The enemy capital for many years has been *New York*, not *Moscow*.

STOP JEWISH BARBARISM!

All through history the Jewish race has been known for its savage massacres. From the time of Ahashuerus through the present day the Jews have been directly responsible for the deaths of over 200,000,000 human beings, a great number of whom were Christians.

The combination of the evil Jewish mind and satanic Jewish "religion" makes the Jew a sadist by his very nature. He is not content unless he is inflicting misery, suffering and torment. The facts show that the most vicious atrocities against mankind have been committed by Jews. These statements are clearly documented in Arnold Leese's book, "*Jewish Ritual Murder*."

The Jew has never founded any civilization, though he has destroyed hundreds. He possesses nothing of his own creation to which he can point. Everything he has is stolen. Foreign people, foreign workmen build him his temples; it is foreigners who create and work for him; it is foreigners who shed their blood for him. He has no art of his own; bit by bit he has stolen it all from other peoples. He does not even know how to preserve the precious things others have created. . . . In the last resort it is the Aryan alone who can form States and set them on their path to future greatness. All this the Jew cannot do. And because he cannot do it, therefore all his revolutions must be international. They must spread as a pestilence spreads. Already he has destroyed Russia; now it is the turn of Germany, and with his envious instinct for destruction he seeks to disintegrate the national spirit of the Germans and to pollute their blood."

Jungle music, jungle dance, jungle housing produces a Jungle City.
This is the Age of Junglism.

How would you like it if your exquisitely formed White child was no longer White? Pink cheeks no longer pink? Blue eyes no longer blue, lovely hair no longer lovely?

It's sensitive mind no longer sensitive but ape like? It's beautiful body no longer beautiful but black and evil smelling?

A few drops of negro blood in your child's veins and it could have a coal black negro baby.

The blood in your White child is the most precious thing on earth (civilizations are built upon it) and many evil minded men know this to be a fact. They have organized into groups to "get" this blood away from you.

Some foolish Christians tell you it is God's will -- as if God who aims at the beautiful, the good, and intelligent, would want to destroy and dirty his loveliest gifts.

These evil men have organized child movements and camps to further their evil designs. Some of these camps are Jewish, some Christian, some political, some union. All pose as democracy in action and the object of all is to get your White child's blood.

People only go after what is better than they have and never hunt something inferior to what they possess.

Remember it is always grown people "adults" who operate these camps. Adults with a queer bent who could never prey upon a grown person but must have the tender, innocent, unsuspecting mind of your child with which to do their evil work.

Scientists claim that such adults who are unduly attracted to White children and wish to mix them with negroes are suffering from a Freudian Complex that gives them a sex thrill at the very thought of mating your lovely child with the evil ape like body of the negro.

This act of mating is not done at the camps but your child's mind is poisoned with false social and religious ideas at its most susceptible stage so that the act of marriage can be accomplished later. They must steal your child's mind before they can steal its body.

This should be warning enough. You know where your treasure is. Protect it. To keep your child from negroes it will be necessary to keep it away from all youth movements -- with especial emphasis on those that pose as religious or political or democratic.

Don't let the devil with the angle's wings carry away your Lovely. It is only the lovely they want and what a howl these hyenas can make of race discrimination when they can't get your lamb in their fangs.

Remember all youth movements have for their special feature the mixing of negroes with your White child and if it were not for the beauty of the White child none of these camps would be in existence.

Boy camps condition your boy to bring home a negro buddy for your little daughter. Girl camps condition your daughter to bring home a negro pal for your White boy. Don't let them get by with it.

Here is just a few with sweet sounding names. The spider's web to catch the unsuspecting fly -- in this case your pretty White cherub.

YMCA, YWCA, Labor Union Camp, Chicago Community Conference, Youth Congress, Young Adult Councils, Youth For Christ, Young Civic Councils, Political Action Volunteers, Youth For Democracy, Jewish Welfare Group, Scout Camps For Boys, Scout Camps For Girls.

These are just a few. A lot of these camps change their names when they are found out, but they continue to operate under new names and their object is to destroy the civilized world for Communism by mating your White Innocent with the loathsome negro.

Negro Blood Destroyed the Civilization of Egypt, India, Phoenicia, Carthage, Greece and Rome.

INTEGRATION, DEGENERATION, MONGRELIZATION call it what you will is the Deliberately Forced Social Association of White People and Racially Inferior Negroes the purpose of which is Racial Intermarriage and the production of a Race of Simple Minded, Docile Mulattoes who will be obedient to their Jewish Masters.

To further their Diabolical Ends it was decided by the International Jewish Hierarchy that as the White Race would not consciously destroy itself - OUR WHITE CHILDREN WERE TO BE BRAINWASHED. The Forced Transfer of Our Young White Children to 'Schools' in Crime Infested Negro Jungles of Fear is deliberately being done with the Knowledge that these Impressionable Young Children will pick up the Delinquency, Sexual Promiscuity and Narcotics Addiction Habits which abound where ever the Culturally Inferior Negro Lives.

Christian Preachers and Communist Agents Oppose the Repeal of the Rumford Act

Private property is the basis of Freedom. Without it there is no effective resistance to domineering government officials.

Denying a citizen the legal right of freedom-of-choice in the sale or renting of houses or apartments largely deprives him of ownership—except in the paying of taxes.

The Real Issue

That racial differences are not at issue in this repeal contest is a transparent pretense.

The Rumford Act makes blockbusting easy for undesirable types. Once they gain entrance, property values sharply decline.

Family busting will follow—as soon as the preachers and the agents train the Whites to accept it.

When Negroes enter a community, their percentage on the welfare rolls soon exceeds that of the Whites; and, through geometrical increase in more rapid reproduction, especially of unwed mothers on relief, they eventually overcome and absorb the Whites.

A few preachers and agents mildly oppose the begetting of illegitimates; they are silent concerning the low quality of the begotten—an evil of far greater social consequences.

On taking over a white residential area, Negroes convert it into a slum. Such people cannot maintain a civilization; they can only destroy.

The immigration of Negroes into white neighborhoods from slums, which they have made, will not solve the problems of the slums but will create new problems for their new neighbors: cries will arise — “More police!”, “More lights!”, “More locks!”; and when the sun is down, Fear shall freeze them to their homes. Crimes of violence will increase.

The percentage of Negro criminals is proportionally several times that of Whites, especially in crimes of violence — assault, robbery, rape, and murder.

In most interracial crimes, the victim is lighter than the criminal. The pupils in the difficult schools in our large cities, those who have been expelled from the regular schools for anti-social conduct, are nearly all colored.

It is social madness to let loose among civilized people a rapid-breeding people mentally qualified for jungle life. Indiscrimination inevitably debases the better human types.

Most Negroes of distinction are mulattoes more white than black. When next you read a news item of a “Negro” appointed to high office, illustrated with his picture, see for yourself.

Don't let the Christian preachers and the Communist agents train you to feel guilty of the crimes of your ancestors, to feel responsible for the slave trade and slavery. (Most of the Blacks brought to America would have suffered a worse fate in Africa. Some of them would have been eaten by cannibals and their women and children would have been traded as livestock, as is done to this day in the areas where there are no Whites.)

Civilized nations do not in their laws accept the barbaric dogma of inherited guilt now propagated by the preachers and the agents.

Don't enforce blind love by law. Stop compelling men to do the good from which evil comes. Cease ignoring percentage records of groups as guides to the probable behavior of a member. Judge others, lest ye regret. Consider probable social consequences.

Guilt preaching and conditioning against judging are powerful weapons of conquest of the gullible Whites.

Don't Support the Preachers Who Support the Rumford Act

The social program of the the National Council of Churches and that of the Communist Party are now largely the same. The California churches shepherded by the pro-Rumford Act preachers support the National Council of Churches. The preachers have adopted numerous social policies first advocated by the agents. The churches of these preachers pay no taxes to help support the welfare relief load which a colored invasion increases, and yet they favor forcing integration by Rumford Acts and by busing white children into Negro areas to balance the races. Don't support these preachers with **your** money.

If not checked, the unwed colored mothers on relief will soon produce a permanent imbalance—until the Whites are absorbed.

Not Only Treatment But the Quality Of the Treated Is a Factor

A characteristic of the body of a parent acquired through use, such as strength of arm or education of the brain, is not inherited by offspring. There is no mechanism for the transmission through the genes of an environmentally produced modification of a part of the body of the parent to the same part of the body of the child. An educated brain does not send a picture of itself or telephone instructions to the gene stream for reproduction in the next generation.

Education alone, therefore, cannot increase the capacity of the Negro to be educated for moral and intellectual achievement. Strict selection of the more intelligent as parents through a thousand generations would be required to change the Negro brain to equal that of the white man.

Heredity determines capacity for culture; culture has no effect on heredity.

A good man may carry bad seed. That

WHO ARE THE CULTURE-DISTORTERS? What is their aim and purpose? Read the book the enemy tried to suppress: **IMPERIUM** by Francis P. Yockey. 640 pages, hard-cover. \$6.00 per copy. Order from: The Noontide Press, P.O. Box 76062, Los Angeles, California 90005.

there is no bad seed, that seeds of the individuals of a species are all equal is a Communist dogma, known as Lysenkoism, which the pro-Rumford Act Christian preachers, though they may deny in words, accept in practice. They lead their followers via taxation to subsidize the more rapid reproduction of colored people.

Whoever believes that the different races are equal should compare Europe with Africa, and the parts of Africa where Europeans are or have been in control with the areas where there are no Europeans.

Equality for unequal achievement is injustice.

If religion is whatever prevents the free exercise of the intellect, racial equality (blind brotherhoodism) is today the world religion, and telling the truth of racial differences is the supreme blasphemy.

If the levelers, the anti-discriminators, are not defeated, they will destroy quality. Under the leadership of the pro-Rumford Christian preachers and Communist agents, the white race cannot be saved from absorption by the already more numerous and more rapid-breeding colored masses.

Most of the Whites campaigning against repeal of the Rumford Act, against Proposition 14, live in segregated areas; when Negroes move in, they move out, hypocritically shouting as they run, "Justice!", "Humanity!", and "Decency!", and "Down with Hate, Bigotry, and Bias!".

Preferring one's own kind as neighbors and associates has not heretofore in America been declared a criminal act.

National Renaissance Party

A confidential source, who has furnished reliable information in the past, advised on December 18, 1965, that from 12 Noon to 2:00 PM on that date, the National Renaissance Party (NRP) picketed the British Empire Building, Rockefeller Center, 50th Street and 5th Avenue, New York City.

ON 12-18-1965

The following NRP pickets participated, and with the exceptions of Robert Burros and [redacted] these pickets were dressed in Nazi-type uniforms:

Robert Burros
(First name unknown) (FNU) Martin
(FNU) Thomas

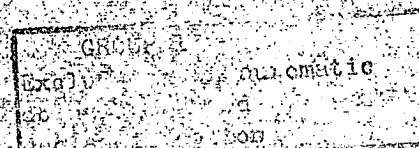

b6

The purpose of the picketing was to support the regime of Ian Smith in Rhodesia, Africa. Placards were carried which stated "Keep Rhodesia Under White Rule" and "Race Mixing Breeds Mongrels". There was also a placard which stated "Support Your Local Police" and some leaflets were passed out which urged support for local police and disclaimed allegations of police brutality.

According to the source, the picketing was orderly and there were no arrests or incidents.

A characterization of the NRP is attached hereto.

1.

NATIONAL RENAISSANCE PARTY

On May 19, 1965, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro, and neo-Fascist organization with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of James H. Madole at 10 West 90th Street, New York City.

On March 4, 1965, Robert Joseph Burros, 215 First Street, Newburgh, New York, advised that he is the National Secretary of the NRP and as such is second in command to James H. Madole, National Director. Mr. Burros stated that the NRP is a fascist organization but that it operates openly. He stated that the NRP advocates the use of the ballot in order to win a national election and take over the government. If the NRP should gain power it would then proceed to change the constitution in a legal way in order to give it the right to use militant means in dealing with those who would seek to overthrow this democracy such as the Communist Party.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954, stated that NRP activity and propaganda are clearly subversive and un-American.

On September 29, 1964, a second source advised that on July 16, 1964, James H. Madole, National Director of the NRP, was sentenced to two years in jail following his conviction on a charge of riot.

NATIONAL RENAISSANCE PARTY

Subsequent to July 16, 1964, all activities of the NRP appeared to have been suspended. As of September 29, 1964, James H. Madole was free on bail pending an appeal on his conviction and sentencing on July 16, 1964. This source advised that the NRP would not be reactivated by Madole who feared that such reactivation might jeopardize his appeal.

On May 18, 1965, [REDACTED] Bureau of Special Services, New York City Police Department, advised that on May 15, 1965, he had been informed by James H. Madole that his appeal would be heard sometime in early September, 1965. Madole further stated future activities of the NRP would depend on the outcome of that appeal. Should he win his appeal, Madole stated there could be an expected increase in NRP activities. Should he lose, there will not be any activity since he will be sent to jail. Madole stated there will be no real NRP activity until the status of his appeal is determined in September, 1965.

There is no characterization available of the Christian Youth Corps mentioned in instant report.

Based on information set forth in instant report, it is apparent activities of the NRP do not come within the provisions of Section 122A, Manual of Instructions, which prescribes the basis for investigation of hate-type organizations. However, as noted in instant report, there has been considerable effort by the NRP to organize a chapter and hold meetings in Orange County, New York. In addition, JAMES MADOLE has indicated his intention to secure the Robert F. Wagner High School for meetings in Manhattan and that once his appeal from his conviction is heard, and it is favorable, he will increase activities of the NRP. In view of these indications and possible increased activity, it is the opinion of the NYO that instant case be maintained in a pending status for at least the next 90 days, at which time a recommendation will be made regarding continued investigation.

This report is classified "Confidential" because revelation of information furnished by NY T-1 could result in the revelation of an informant of continuing value, and such revelation could have an adverse effect upon the national defense interests of the country.

is characterized in the Appendix
attached hereto.

I. ORGANIZATIONAL STRUCTURE

Headquarters

The NRP continues to maintain its national headquarters at 10 West 90th Street, New York, New York, which address is also the residence of JAMES MADOLE, National Director of the NRP.

SUBJECT ORGANIZATION

NY T-1
January 28, 1966

Objectives

On March 4, 1965, ROBERT BURROS advised SAS [redacted] that the NRP is a fascist organization but that it operates openly. He stated the NRP advocates the use of the ballot in order to win a national election and thereby take over the government. After the NRP gains power it would then proceed to change the Constitution in a legal way in order to give it the right to use militant means in dealing with those who would seek to overthrow this democracy such as the Communist Party. He stated that the NRP differs from the John Birch Society only in the way in which it would deal with the Communists and those who would seek to destroy our democracy. He noted that the John Birch Society does not advocate the use of militant means in dealing with these individuals. The NRP after gaining power through the ballot, would then resort to militant means which would then be legal in dealing with these individuals. BURROS stated the NRP has no plans which advocate any militant means for obtaining power in this country. The NRP only advocates the legal takeover of this government through the use of the ballot.

b6
b7c

NY 105-6112

As of May, 1965, the NRP was an anti-semitic, anti-Christian, anti-Negro, and neo-fascist organization with activities generally confined to the New York City area. It was founded in 1949 by JAMES MADOLE, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

NY T-2
May 19, 1965

NY T-1 advised on November 12, 1965, that on October 21, 1965, JAMES MADOLE distributed to NRP members copies of the then recently printed "Program of the National Renaissance Party". This program, with the announced purpose of establishing a "Racial Nationalist State", sets forth the objectives of the NRP, some pertinent portions of which are set forth below:

Racial Program

1. Enact and rigidly enforce legislation to restrict the benefits of American citizenship to mentally and genetically sound members of the caucasian race.
2. Enact legislation to prohibit intermarriage between whites and non-whites.
3. The Jewish race, which constitutes the motivating financial and intellectual backbone of the left-wing revolutionary activity in the United States, as manifested in the so-called "Negro civil rights movement", shall be deprived by suitable legislation of their American citizenship and shall henceforth be prohibited from holding any professional, political or educational posts within the Racial Nationalist State. The Jew constitutes an alien virus in our national blood stream and as such he must be purged from our cultural, economic, and political life.

NY 105-6112

4. Enact legislation to hasten the repatriation of American Negroes to the newly independent black nations on the African continent under the auspices and guidance of black nationalist leadership in the United States.

5. The establishment of a selective immigration policy whose primary purpose is to attract the best European racial stock to the ~~North American continent~~ in order to utilize their vast energy and talent in the task of creating a dynamic, expanding White Empire capable of withstanding the encroachments of the primitive, colored world led by the oriental colossus, Red China.

Economic Program

This program contains 18 proposals for economic reform, some of which are as follows:

1. Nationalization of the federal reserve and private banking system under reliable gentile leadership. This measure will take the issuance and evaluation of currency and the extension of bank credit and federal loans out of the hands of private financiers, where it was placed in defiance of the Constitution in 1913, and place the power to coin and evaluate American currency in the hands of the Racial Nationalist State for the benefit, protection and enrichment of the masses of white American citizens. Such an act would smash forever the Jewish stranglehold on the financial structure of the Western World.

2. A system of land reform whereby the ownership of commercially and industrially zoned land will be assumed by the Racial Nationalist State for the benefit of the white people of America. The majority of this land is today in the hands of totally unscrupulous Jewish speculators as is most of the property in our major cities.

NY 105-6112

3. Massive public works programs including low-cost housing, with architectural design of an individual nature for white American workers.

Foreign Policy

1. The NRP supports the political and economic union of Canada and the United States into one White Empire stretching from the Arctic Ocean to the Gulf of Mexico for the purpose of bringing about a renaissance of Western civilization on the North American continent.

2. Unity of all European peoples, including the Slavic elements of the Soviet Union, within the frame work of a united Europe to act as a mighty bulwark against the colored hordes of Asia.

3. The NRP favors American support for the progressive force of Peronism throughout South and Central America as a militant antidote to CASTRO's brand of Communism. We favor the militant retention of the Monroe Doctrine which shall prevent foreign states from invading our southern neighbors and thus pose a threat to North America.

4. The NRP would support a United Arab Republic in order to create the same unity of mind and spirit in the Middle East that a United Europe would bring about in Western peoples.

5. The NRP supports a policy of "Africa for the Black Africans" to be pursued in those areas of Black Africa lying south of the Sahara Desert which are not included within the Portuguese or South African orbit.

6. The NRP supports a policy of "Asia for the Asiatics" in order that the various Asian nations may develop their own political, racial, and cultural identity without interference by the white race.

NY 105-6112

7. The NRP supports all national regimes, regardless of race, creed or color which seek to liberate their people from the vicious stranglehold of Jewish finance.

Social Program

This section of the program sets forth provisions for the free state-- sponsored college education for every American child with proven capacity to learn; free hospitalization for all needy Americans; yearly war veterans bonuses of \$100; a \$1000 bonus for every healthy white child produced in the United States in order to raise the white birth rate; free nursing home care for the needy.

Governmental Program

1. The NRP advocates the calling of a Constitutional Convention to ratify the necessary amendments in order to carry out the foregoing program for the establishment of a strong, centralized Racial Nationalist State on the North American continent.

2. All American youths between the ages of 10 and 19 should be enrolled in a patriotic National Youth Organization whose purposes will be to instill a fanatical attachment to the heritage and achievements of the white race and the American nation.

3. The NRP advocates that all organizations, publications, and media of communication which seek to present ideals hostile to the maintenance of a pure race and a strong and healthy nation should be suppressed for the protection of the people.

Officers

JAMES MADOLE, who founded the NRP, continues to serve as its National Director. ROBERT BURROS, prior to November 4, 1965, served as the National Secretary and also

NY 105-6112

the Regional Director and Organizer of the NRP for Orange County. However, on that date, due to the fact his previously concealed Jewish origin was revealed by a newspaper article, he was removed from the position of National Secretary at an NRP meeting. Although removed as National Secretary, BURROS continues to serve as Regional Director and Organizer for Orange County, New York, which also includes parts of Dutchess, Ulster and Rockland Counties in New York. JOSEPH RUDDEN replaced ROBERT BURROS and is serving as the National Secretary of the NRP. There are no other offices serving in the NRP and JAMES MADOLE remains in complete control of the Party.

Officers

215 FIRST STREET NEWBURGH, N.Y.

ROBERT BURROS as of late January, 1966, continues to serve as the Regional Director and Organizer of the SUBJECT ORGANIZATION NRP in Orange County.

NY T-1
January 28, 1966

Membership and Recruiting Activities

In Orange County, New York, the NRP has attempted to obtain use of the County Courthouse for approximately one year prior to January, 1966. However, little progress has been made and the Orange County Chapter exists in name only. No formal organization exists which holds meetings, although JAMES MADOLE claims to have sympathizers in Orange County. The NRP has recently been successful in obtaining use of the Orange County Courthouse, in Newburgh, New York, in order to hold open meetings and organize an Orange County Chapter.

NY T-1
January 28, 1966

At the January 13, 1966, NRP meeting, JAMES MADOLE announced that an NRP meeting is tentatively scheduled for February 12, 1966, in the Courthouse in Newburgh, New York. A petition is being circulated by the NRP in Orange County in order to get ROBERT BURROS elected as an Assemblyman from Orange County.

NY T-1
January 14, 1966

NY 105-6112

At the December 9, 1965, NRP meeting, MADOLE stated that once the NRP gets the use of the Courthouse in Orange County there will be a campaign to run an NRP man for the post of County Supervisor. According to MADOLE there are several storekeepers in the Orange County area who will ask their customers to sign a petition in this connection.

NY T-1
December 15, 1965

Concerning the NRP attempts to obtain use of the Orange County Courthouse, the "Times Herald Record", a Middletown, New York, daily newspaper, dated November 2, 1965, on page 5, contains an article captioned "Hate Group To File Show Cause on Newburgh Courthouse Use". This article states that the National Renaissance Party, 4-times denied use of the Newburgh Courthouse for public meetings, will file a show cause order this week against the Board of Supervisors and the County officials who have denied their requests. JAMES MADOLE, ~~National~~ party leader, said in an affidavit that the reason the party has been denied use of the courthouse is the "antipathy with which the respondents regard the views and opinions of the NRP", according to Staff Counsel, for the New York Civil Liberties Union, which is representing the NRP.

b6

N.Y.

"The Evening News", a Newburgh, New York, daily newspaper, page 1B, Column 5, dated January 8, 1966, contained an article captioned "Supreme Court Decision", Courthouse Open to NRP". According to this article, Supreme Court Justice LEONARD J. SUPPLE, on January 1, 1966, gave the order for the NRP to use the Orange County Courthouse in Newburgh for public meetings. He ordered Orange County to issue a Usage Permit. JAMES MADOLE immediately announced that he will apply to use the Newburgh Courthouse for an NRP meeting on February 12, 1966. Justice SUPPLE stated his declaration in allowing the use of the Courthouse was not an approval of the NRP extremist activity but instead was intended to end unconstitutional means that had been used to thwart NRP activities in this area

NY 105-6112

As of January, 1966, there were no local NRP Chapters in existence in the United States, with the exception of the one local chapter in Orange County which was in the process of being organized.

III. ACTIVITIES OF THE NRP

Status of the NRP

Since JAMES MADOLE was sentenced to two years in jail on a charge of riot on July 16, 1964, all activities of the NRP were suspended. The source had received unconfirmed information that MADOLE, leader of the then defunct NRP, was then currently free on bail pending an appeal of his conviction and sentencing on July 16, 1964. The source stated, however, that the NRP would not be reactivated by MADOLE who felt that such reactivation might jeopardize his appeal.

NY T-3
September 29, 1964

As of December 8, 1964, JAMES MADOLE was residing at 10 West 90th Street, New York, New York, where he had been so residing since he was released on bail pending an appeal of his conviction in July, 1964. Since returning to his residence there had been several visitors who called on MADOLE from time to time, however, there had been no activity noted in the MADOLE residence which would indicate that group meetings were being held or that the NRP had resumed activities as an active organization.

NY T-4
December 18, 1964

[redacted] Bureau of Special Services (BSS), New York City Police Department (NYCPD), advised SA JAMES D. BRODY on May 18, 1965, that on May 15, 1965, he had encountered JAMES MADOLE in the vicinity of Broadway and 47th Street, New York, New York. On this occasion, MADOLE informed [redacted] that his appeal from his conviction would be heard sometime in early September, 1965, and that the outcome of that appeal would determine how active the NRP would become. MADOLE stated that should he win his appeal, there can be an expected increase in NRP activity. should he lose his appeal, there would not be any activity since he would be serving his sentence in jail. MADOLE further stated that there would be no real NRP activity until the status of his appeal was determined in September, 1965.

b6
b7C

NY 105-6112

Since mid 1965, MADOLE has on several occasions expressed his intention to hold open NRP meetings in the auditorium of the Robert F. Wagner High School, a New York City public school located in Manhattan. In this connection, MADOLE has indicated that if he is denied the use of the school, he will seek legal action with the help of the American Civil Liberties Union. As of January, 1966, MADOLE was continuing with his efforts for use of the auditorium.

NY T-1
January 28, 1966

Meetings

During the period February 11, 1965, to January 13, 1966, the NRP held 54 meetings at its headquarters, 10 West 90th Street, New York, New York.

NY T-1
February 15, 1965 -
January 14, 1966

The above-mentioned meetings are regularly scheduled and held on Thursday nights and in addition, meetings are frequently held on Sunday afternoon. These meetings are supposedly opened to anyone expressing an interest in the NRP, however, with few exceptions, these meetings are attended by an average of approximately eight NRP members. At these meetings discussions are lead by JAMES MADOLE. These discussions involve the program of the NRP, plans for the future expansion of the NRP and plans for forthcoming demonstrations, literature distributions and street rallies.

NY T-1
January 28, 1966

NY 105-6112

On December 22, 24, 30, and 31, 1965, social affairs were held at NRP Headquarters. There was no NRP business conducted and these affairs were in the nature of Christmas and New Year's parties with the usual NRP members in attendance.

NY T-1
January 10, 1966

Public Gatherings and Demonstrations

On October 26, 1964, Special Agents (SAs) of the Federal Bureau of Investigation (FBI), observed a peak number of 250 individuals demonstrating on Eighth Avenue between 50th and 51st Streets, New York, New York, from 6:30 p.m. to 9:30 p.m. This demonstration was in protest of a political rally for Senator BARRY M. GOLDWATER, which was to be held that date at Madison Square Garden, 50th Street, and Eighth Avenue, New York, New York. The demonstrators carried placards identifying themselves as affiliated with the Downtown, Queens College, City College of New York, New York City, Bronx Chapter of the Congress of Racial Equality (CORE). In addition, some of the demonstrators distributed literature and carried signs showing their affiliation with the W.E.B. Du Bois Clubs of America, Incorporated, and Youth Against War and Fascism (YAWF). Placards carried by these demonstrators called for the defeat of GOLDWATER in the Presidential Election.

The W.E.B. Du Bois Clubs of America, Incorporated, and the YAWF are characterized in the appendix.

At the above demonstration from 7:45 p.m. to 8:15 p.m., JAMES MADOLE, Leader of the NRP, together with six other individuals distributed pro-GOLDWATER literature bearing the NRP name and the address 10 West 90th Street, New York, New York. This literature was distributed at the corner of 49th Street and Eighth Avenue.

NY 105-6112

A confidential source furnished leaflets which had been passed out by the NRP demonstrators at the above-mentioned demonstration. One leaflet was captioned "To Hell Now with the Cursed Oder-Neisse Line, My Dear Nasser". This pamphlet states that at the termination of World War II, America should have invited to our shores the thousands of skilled German scientists. Instead, we allowed ourselves to be swayed by the Jewish gospel to hate everything German and, consequently, the best scientific minds of Germany were forced into the arms of our mortal enemy, the Soviet Union. In addition, 600 German scientists have been forced into exile in Cairo, Egypt and by virtue of the friendship existing between the various Asiatic powers, they have now contributed to the building of an atomic bomb by Red China.

A second NRP pamphlet distributed was captioned "Urgent Appeal". This pamphlet urged some civil rights for white Christians in America. It also urged a vote for the GOLDWATER - MILLER ticket in November and support for Mr. PAOLUCCI for the United States Senate on the Conservative Party Ticket, since ROBERT KENNEDY and KENNETH KEATING appeared to be running for a seat in the Israeli Knesset, rather than the the United States Senate.

The NRP picketed the annual May Day Rally sponsored by the Greater New York Labor Press Club (GNYLPC) which was held May 1, 1965, at Union Square, 17th Street and Broadway, New York, New York, from 2:50 p.m. to 4:40 p.m. Eight individuals representing the NRP conducted this picketing. They carried signs bearing the following slogans and the same slogans were periodically shouted by the NRP pickets:

"Down with Communism"

"Better Dead than Red"

NY 105-6112

"Nationalism is Patriotism"

"Kill the Commies Like Dogs"

"American Blood Spilling in Viet-Nam,
Commies Speaking in Jew York"

The GNYLPC is characterized in the

On July 24, 1965, from 12:00 noon to 2:00 p.m., four individuals representing the NRP held a demonstration at the headquarters of JOHN LINDSAY, Candidate for Mayor of New York City, at 42nd Street and Fifth Avenue, New York, New York. Three of these individuals were dressed in uniforms resembling those worn by HITLER's Army in Nazi Germany. These demonstrators carried signs which read as follows:

"Join the National Renaissance Party"

"Black for Lindsay, White for Buckley"

The demonstrators passed out literature which bore the caption "John Lindsay is a Political Tool and Will Organize Racial Minority Groups". The leaflet urged white Americans to vote for the conservative candidate, WILLIAM J. BUCKLEY, for Mayor of New York City.

[redacted] Bureau of Special Services, New York City Police Department, advised on October 12, 1965, that on October 11, 1965, from 7:55 p.m. to 9:05 p.m., the NRP held a street rally, known as a "Civil Rights for Whites Rally", at 84th Street and Second Avenue, New York, New York. There were approximately 1400 spectators and eight NRP members in attendance. The first speaker, ROBERT BURROS, NRP member, stated the NRP is in favor of white supremacy which is on the decline because of the liberal politicians. He further stated that it was the white man who brought civilization to this country. At this point in his speech, the spectators began booing and the rest of his speech became inaudible.

A confidential source advised that when JAMES MADOLE began to speak at the above-mentioned street rally, members of the Jewish War Veterans who were present in the audience started to sing "God Bless America". It was virtually impossible to hear any of the speakers and at one point several eggs were thrown at NRP members.

On October 18, 1965, from 7:30 p.m. to 9:00 p.m., the NRP held a street rally at 84th Street and Second Avenue, New York, New York. JAMES MADOLE, New York Director of the NRP, during his speech stated that the government must change its programs which favor organized Jews and Negroes in the United States. As a result, MADOLE stated, the Jews are robbing the people and the Negroes form drunken mobs and riot on weekends. MADOLE denounced integration on the basis that it breeds mongrels and due to this mongrelization people are not pure any more. There were approximately 1,000 spectators who booed and hissed and threw eggs and tomatoes during MADOLE's speech, however, no arrests or incidents took place. There were five members of the NRP present three of whom were dressed in Nazi-type uniforms.

On December 4, 1965, the NRP held a street rally in the vicinity of the British Empire Building, Fifth Avenue and 50th Street, New York, New York, in order to protest British policy toward the Government of Rhodesia in Africa. This rally began at 11:30 a.m. and ended at 1:00 p.m. and during the rally the following placards were carried by NRP members:

"Support your local Police"

"No Civilian Review Board"

"White Government for Rhodesia"

Nine NRP members participated. Some pedestrians shouted derogatory remarks, at NRP members, however, there were no disorders.

On December 11, 1965, twelve NRP members held a street meeting in Times Square, New York City, from 10:30 a.m. to 2:00 p.m. The purpose of this street meeting was to call attention to and protest the anti-Viet-Nam demonstrations which had then recently taken place in New York City and elsewhere in the United States. NRP members carried signs which contained the following slogans:

"Down with the Peace Creep"

"Long Live America"

"Send the Peace Creeps to Viet-Nam"

Some of the NRP members were shouting slogans such as:

"Burn Peace Creeps in Acid, Kill the Peace Creeps"

The police officer who was present instructed the NRP to tone down such slogans because there was fear that such actions might produce disorders.

IV. FINANCES

On March 4, 1965, ROBERT BURROS, who was then serving as National Secretary of the NRP, advised SAS [redacted] that both the National Organization and the Orange County Chapter of the NRP are broke. He stated the National Organization is operating from the apartment of JAMES MADOLE, 10 West 90th Street, New York, New York, and that he, as regional Director in Orange County, does not receive any salary.

MEMBER-SUBJECT ORGANIZATION

At the NRP meeting on April 15, 1965, JAMES MADOLE stated that Mr. FREDERICK WEISS, an NRP member from Middletown, New York, supplies the NRP with a great deal of its money.

NY T-1
April 19, 1965

In all publications of the NRP, financial appeals are made for contributions. There are also small contributions made from time to time by members of the NRP at meetings. In addition, JAMES MADOLE derives some money from the sale of books which are written by other individuals and are recommended by MADOLE. It is assumed that finances are a matter of concern to the NRP since MADOLE, on several occasions, has held up the printing and mailing of literature because he lacked funds to pay the printer or the postage. On occasion, MADOLE has stated that he was awaiting money from FREDERICK WEISS in order to pay the printer or purchase necessary postage stamps.

V. PUBLICATIONS AND LITERATURE

Beginning in January, 1965, the New York Office of the FBI had been in receipt of a large volume of mail which came direct from individuals as well as by referral from the United States Post Office. In all instances, these letters forwarded literature which had been received unsolicited and which, in most but not all cases, contained the return address of JAMES MADOLE, 10 West 90th Street, New York, New York.

The individuals forwarding the above literature expressed indignation and requested that the mailing of such literature be stopped by the post office. The individuals who registered a complaint with the post office were advised that it was regretted the mails are used from time to time for the dissemination of matter critical of religions, races, and political views, however, there was no violation involved under current postal laws, particularly when sent under cover of envelopes with nothing derogatory appearing on the outside thereof.

The above letters were all postmarked in New York City, and were mailed to various sections of the country to college students, educators, business executives and politicians. The literature enclosed in these letters is described below:

1. A seven page pamphlet captioned "Who is the Real Enemy?", which is self-identified as a publication of the NRP. According to this pamphlet, the Jews strive for complete control of the press, radio, motion picture and television industries so that they can bring about complete enslavement of the white race. The pamphlet states that if "white gentiles are to save themselves from being herded to the slaughter like docile sheep, the time is long overdue to organize against our real enemy". The pamphlet goes on to state that if we do not recognize the Jew as our enemy "our race of people will disappear from the earth".

NY 105-6112

2. A one page leaflet captioned "Youth Movements", which is self-identified as a publication of the NRP. This leaflet states that all youth movements calling for the mixing of Negro and white children which are established by Jewish, Christian, political and labor organizations, are for the purpose of destroying "the civilized world for Communism by mating your white innocent with the loathsome Negro".

3. A two page leaflet captioned, "Christian Preachers and Communist Agents oppose the Repeal of the Rumford Act", which is self-described as a publication of the NRP. This leaflet deals with the Rumford Act, which outlaws discrimination in the sale or rental of houses and apartments in the State of California. This leaflet states that to claim that racial differences are not at issue in this repeal contest is a transparent pretense. The Rumford Act makes block busting easy for undesirable types and once they gain entrance, property values sharply decline. This leaflet further states that it is social madness to let loose among civilized people a rapid-breeding people mentally qualified for jungle life. Indiscrimination inevitably defaces the better human types.

4. One page leaflet captioned, "Integration", which is self-identified as a publication of the National States Rights Party (NSRP). This leaflet contains pictures of a Mr. and Mrs. MACINTOSH and their child as an example of racial intermarriage which produced a mongrel child. This leaflet states that "Integration, degeneration, mongrelization, call it what you will, is the ^{and} deliberately forced social association of white people/racially inferior Negroes the purpose of which is racial intermarriage and the production of a race of simple minded, docile mulattoes who will be obedient to their Jewish masters.

The NSRP is characterized in the appendix.

NY 105-6112

5. A one page leaflet which is captioned, "Communist Party behind Race Mixing", which is self-identified as a publication of the Christian Youth Corps. This leaflet bears the slogan "Communism is Jewish". This leaflet states that only the Christian young men of this nation can save it from the Jew - Communist conspiracy. Prepare yourselves for this battle for CHRIST, when the CHRIST hating Jews unleash their Red Communist hordes upon us. U.S.

On May 10, 1965, NY T-1 furnished a copy of the "National Renaissance Bulletin", Volume 16, Numbers 1 - 2, dated January - February, 1965, which is self-described as the official publication of the NRP. This 12 page bulletin contains a feature article by JAMES MADOLE entitled, "Will Asiatic Hordes Submerge the Light of Western Civilization?"

The above article states that the twilight of Western civilization is fast approaching as one billion Asiatics and Africans gird themselves for world conquest of the white race. Although this war draws closer, our liberal and Jewish "leadership" in Washington, London, Tel Aviv and Bonn does not allow us to think, much less to speak or act, in terms of race. This article states that the American people must form a United White Alliance in opposition to the colored hordes of Asia and Africa and cast off the mental yoke of Jewish thinking skillfully imposed on their minds by captive political, clerical and labor czars as well as the communications media of the United States.

On October 15, 1965, NY T-1 furnished a copy of the "National Renaissance Bulletin" Volume 16, Numbers 3 - 5, dated March, April, May, 1965. This eight page bulletin contains a continuation of the feature article by JAMES MADOLE which appeared in the above-mentioned January - February, 1965, issue of the "National Renaissance Bulletin". In addition, there is an article captioned, "Canadian Government Seeks to Suppress the National Renaissance Party."

NY 105-6112

This article alleges that the NRP has been prohibited from mailing its literature to Canada, because the January - February, 1965, issue of the "National Renaissance Bulletin" attacked WINSTON CHURCHILL. This article states that the NRP, is attempting to obtain a Canadian lawyer and will continue the fight to use the Canadian mails.

NY T-1 advised on January 28, 1966, that there have been only the two above described issues of the "National Renaissance Bulletin" distributed during the calendar year 1965.

At the July 15, 1965, NRP meeting, MADOLE announced that he has been barred by the Canadian Government from sending NRP literature to Canada.

"The New York Times", a New York City daily newspaper, dated June 11, 1964, contained an article captioned "Eight Convicted for Bronx Rioting Last July, 14". This article stated that eight alleged members of the Neo-Nazi National Renaissance Party were found guilty on June 10, 1964, of inciting a riot in connection with a civil rights demonstration last July 14, 1963. At this civil rights demonstration, Negroes were picketing a diner because of alleged racial discriminatory practices. When two of the eight defendants complained to the police that the demonstrators had damaged their station wagon, detective who investigated found cross-bow, guns and knives in the vehicle. A disorder involving the pickets and the eight defendants resulted in riot charges against the eight men. During the trial, the police testified that the group sought to incite to violence the Negroes who were demonstrating, and to use the weapons in the station wagon against the pickets had not the police acted.

a hearing on the appeal.

GREATER NEW YORK LABOR PRESS CLUB

A source advised on December 6, 1962, that the Greater New York Press Club (GNYPC) was formed during February, 1961, by LOUIS WEINSTOCK, when he was General Manager of "The Worker," by obtaining members who would contribute funds, subscribe to and work for "The Worker," and also to hold social and cultural affairs.

The source stated that in the Spring of 1962 JAMES LUSTIG was Business Manager of "The Worker." LUSTIG announced at a press club meeting at Adelphi Hall, New York City, held on April 26, 1962, the formation of a new press club known as the "City Press Club Executive Board" (CPCEB). The purpose of this new club was to coordinate the work of all the borough press clubs in the New York City area; to strengthen the work of the press clubs; to organize new press clubs; and to draw in people who were not members of the Communist Party, United States of America (CPUSA). The source stated that the basic purpose was to raise funds for "The Worker" and increase the circulation of that publication. Persons not members of the CPUSA could be members of the new club, but leadership in the club was limited to members of the CPUSA. The name of the CPCEB was later changed to "Greater City Press Club" (GCPC), which club became the successor of the GNYPC.

The source continued that in July, 1962, LOUIS WEINSTOCK again became General Manager of "The Worker" and the GCPC again became known as the "Greater New York Press Club" and was commonly referred to as the Greater New York Readers' Club, Greater New York Readers' Clubs, Greater New York Readers' Conference, Greater City Press Club, and the City Press Club by personnel responsible for preparation of notices and literature regarding meetings and activities of the clubs. The source advised at that time that the GNYPC had no office or headquarters and used the mailing address of "The Worker," 23 West 26th Street, New York City.

"The Worker" is an east coast Communist newspaper.

A second source advised on August 15, 1962, that the Greater New York Readers' Club was formerly known as the "Three Boro Readers' Club."

GREATER NEW YORK LABOR PRESS CLUB

The first source advised on May 28, 1963, that the GNYPC holds no membership meetings and that the officers had ceased to function for the GNYPC. The source advised that LOUIS WEINSTOCK was responsible for using the name of the GNYPC in conjunction with the activities of the Readers' Conferences at "Worker" functions. The organization of the GNYPC no longer functions.

The first source advised on April 21, 1964, that on March 31, 1964, about 50 members of the CPUSA met at the Hotel Woodstock, 127 West 43rd Street, New York City. At this meeting JOE BRANDT, the Business Manager of "The Worker," advised that after consultation with the Editorial Board and other officials of "The Worker," it was decided to rebuild the GNYPC and to rename it the Greater New York Labor Press Club (GNYLPC). Those present at the meeting, without a dissenting vote, approved this decision.

A third source advised on April 29, 1964, that on the same date ERIC BERT, the Managing Editor of "The Worker," said that the GNYLPC is a group of individuals who, as volunteers, help support "The Worker" and aid in its distribution and circulation.

A fourth source advised on March 18, 1965, that on March 17, 1965, at a meeting of the GNYLPC held at the Hotel Woodstock, JOE BRANDT said that the main purpose of the GNYLPC is to increase and build a greater circulation for "The Worker."

NATIONAL RENAISSANCE PARTY

On May 19, 1965, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro, and neo-Fascist organization with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of James H. Madole at 10 West 90th Street, New York City.

On March 4, 1965, Robert Joseph Burros, 215 First Street, Newburgh, New York, advised that he is the National Secretary of the NRP and as such is second in command to James H. Madole, National Director. Mr. Burros stated that the NRP is a fascist organization but that it operates openly. He stated that the NRP advocates the use of the ballot in order to win a national election and take over the government. If the NRP should gain power it would then proceed to change the constitution in a legal way in order to give it the right to use militant means in dealing with those who would seek to overthrow this democracy such as the Communist Party.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954, stated that NRP activity and propaganda are clearly subversive and un-American.

On September 29, 1964, a second source advised that on July 16, 1964, James H. Madole, National Director of the NRP, was sentenced to two years in jail following his conviction on a charge of riot.

Subsequent to July 16, 1964, all activities of the NRP appeared to have been suspended. As of September 29, 1964, James H. Madole was free on bail pending an appeal on his conviction and sentencing on July 16, 1964. This source advised that the NRP would not be reactivated by Madole who feared that such reactivation might jeopardize his appeal.

On May 18, 1965, [redacted] Bureau of Special Services, New York City Police Department, advised that on May 15, 1965, he had been informed by James H. Madole that his appeal would be heard sometime in early September, 1965. Madole further stated future activities of the NRP would depend on the outcome of that appeal. Should he win his appeal, Madole stated there could be an expected increase in NRP activities. Should he lose, there will not be any activity since he will be sent to jail. Madole stated there will be no real NRP activity until the status of his appeal is determined in September, 1965.

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party", with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

Issue No. 19, dated June 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 703, Birmingham, Alabama.

Issue No. 69, dated July, 1965, of "The Thunderbolt" announced the address of the new headquarters of the NSRP as Post Office Box 184, Augusta, Georgia.

On August 4, 1965, a source advised that Edward R. Fields, the Information Director of the NSRP and Editor of "The Thunderbolt", is the individual who actually controls the NSRP.

W.E.B. DU BOIS CLUBS OF AMERICA

A source has advised that on October 26-27, 1963, a conference of members of the Communist Party (CP), including national functionaries, met in Chicago, Illinois, for the purpose of setting in motion forces for the establishment of a new national Marxist-oriented youth organization which would hunt for the most peaceful transition to socialism. The delegates to this meeting were cautioned against the germ of anti-Soviet and anti-CP ideologies. These delegates were also told that it would be reasonable to assume that the young socialists attracted into this new organization would eventually pass into the CP itself.

A second conference of over 20 persons met in Chicago on December 28-29, 1963, for the purpose of initiating a "call" to the new youth organization and planning for a founding convention to be held in June, 1964.

A second source has advised that the founding convention for the new youth organization was held from June 19-21, 1964, at 150 Golden Gate Avenue, San Francisco, California, at which time the name W.E.B. Du Bois Clubs of America (DCA) was adopted. Approximately 500 delegates from throughout the United States attended this convention. The aims of this organization, as set forth in the preamble to the constitution, are, "It is our belief that this nation can best solve its problems in an atmosphere of peaceful coexistence, complete disarmament and true freedom for all peoples of the world, and that these solutions will be reached mainly through the united efforts of all democratic elements in our country, composed essentially of the working people allied in the unity of Negroes and other minorities with whites. We further fully recognize that the greatest threat to American democracy comes from the racist and right wing forces in coalition with the most reactionary sections of the economic power structure, using the tool of anti-Communism to divide and destroy the unified struggle of the working people. As young people in the forces struggling for democracy, we shall actively strive to defeat these reactionary and neo-fascist elements and to achieve complete freedom and democracy for all Americans, thus enabling each individual to freely choose and build the society he would wish to live in. Through these struggles we feel the American people will realize the viability of the socialist alternative."

As of October, 1965, the headquarters of the DCA was located at 954 McAllister Street, San Francisco, California.

Over the Labor Day week end, 1965, the DCA held a conference in Chicago, Illinois. According to a third source, a new slate of national officers was elected at this conference, which included Chairman HUGH STERLING FOWLER, II, (who, according to the third source, attended a CP cadre encampment held at Camp Midvale, New Jersey, in June, 1965, and following his election as Chairman of the DCA, attended another national CP cadre youth conference held on September 9-12, 1965, on a farm located in Northern Indiana, according to a fourth source); Director of Publicity CARL ELLENGER BLOICE (who was elected to the San Francisco County Committee CP in April, 1964, according to a fifth source); Educational Director MATTHEW "DYNAMITE" HALLINAN (who in June, 1964, was stated to be the Youth Representative on the Northern California CP District Board, according to a sixth source); Organizational Secretary TERENCE "KAYO" HALLINAN (who, according to a seventh source, met in June, 1965, with the District Staff of the Illinois CP to discuss the proposed DCA Midwest Summer Project), and Treasurer SUSAN PHYLLIS BORENSTEIN (who, according to an eighth source, has attended meetings of the Youth Club of the CP of Illinois during 1965, in connection with the DCA Summer Project).

A second confidential source advised on October 23, 1964, that a flyer distributed by the YAWF describes that organization as a militant organization of young workers and worker-students for combating war and fascism.

The first source advised on March 29, 1965, that the YAWF maintains an office in Room 1214, 1123 Broadway, New York City, and publishes a magazine called "The Partisan."

National Renaissance Party

The February 16, 1966 edition of the New York Times related that the City Corporation Counsel has informed the Board of Education that it must allow the National Renaissance Party to use public school facilities during after-class hours for its meetings. The board's Bureau of Community Education last summer turned down the party's application for use of a school auditorium, on the grounds that "the proposed meeting might tend to cause dissension or provoke disorder". Replying to the board's request for a legal opinion on its actions, the Corporation Counsel said that the Bureau had acted improperly in denying the application.

The February 12, 1966 edition of the Newburgh, New York Evening News, related that on February 11, 1966, the Orange County Board of Supervisors authorized an appeal for Orange County, from a court order that would grant use of a county building to the National Renaissance Party. The National Renaissance Party was previously denied speaking privileges at the court house in Newburgh.

National Renaissance Party

A confidential source, who has furnished reliable information in the past, advised on March 19, 1966, as follows:

On March 18, 1966, the National Renaissance Party (NRP) held an open meeting from 8:15 p.m. to 10:30 p.m., at the Robert F. Wagner Junior High School, 220 East 76th Street, New York City.

There were 14 members of the NRP and approximately 200 individuals in attendance. There were 10 NRP members seated on the stage of the school auditorium, eight of whom were dressed in the Nazi type uniforms of the Security Echelon of the NRP.

NY James Madole, National Director, NRP, was the main speaker. His speech was anti-Jewish and anti-Negro and he stated the white christians are being deprived of their rights while at the same time the government adopts programs which favor organized Jews and Negroes.

During his speech Madole also condemned President Lyndon B. Johnson and Secretary of Defense, Robert Mc Namara for their alleged failure to send proper and sufficient equipment to American soldiers in Vietnam.

Robert Burros, Regional Director and Organizer of the NRP in Orange County, spoke regarding his legislative program in Orange County, New York, where he intends to be a candidate for the State Assembly. According to Burros, this legislation would prohibit the busing of white children and provide the death penalty for narcotics pushers.

A Mr. ~~X~~Parker, from Boston, Massachusetts, was also a speaker. He stated the American troops in Vietnam are not receiving the proper equipment in order to carry on the war. He advocated that a nuclear bomb be dropped on Hanoi.

Approximately one third of the audience opposed the views of the speakers and heckled them during the speeches.

There were no disorders or arrests at this meeting.

A characterization of the NRP is attached hereto.

NATIONAL RENAISSANCE PARTY

On May 19, 1965, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro, and neo-Fascist organization with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of James H. Madole at 10 West 90th Street, New York City.

On March 4, 1965, Robert Joseph Burros, 215 First Street, Newburgh, New York, advised that he is the National Secretary of the NRP and as such is second in command to James H. Madole, National Director. Mr. Burros stated that the NRP is a fascist organization but that it operates openly. He stated that the NRP advocates the use of the ballot in order to win a national election and take over the government. If the NRP should gain power it would then proceed to change the constitution in a legal way in order to give it the right to use militant means in dealing with those who would seek to overthrow this democracy such as the Communist Party.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954, stated that NRP activity and propaganda are clearly subversive and un-American.

On September 29, 1964, a second source advised that on July 16, 1964, James H. Madole, National Director of the NRP, was sentenced to two years in jail following his conviction on a charge of riot.

APPENDIX

2.

NATIONAL RENAISSANCE PARTY

Subsequent to July 16, 1964, all activities of the NRP appeared to have been suspended. As of September 29, 1964, James H. Madole was free on bail pending an appeal on his conviction and sentencing on July 16, 1964. This source advised that the NRP would not be reactivated by Madole who feared that such reactivation might jeopardize his appeal.

On May 18, 1965, [REDACTED] Bureau of Special Services, New York City Police Department, advised that on May 15, 1965, he had been informed by James H. Madole that his appeal would be heard sometime in early September, 1965. Madole further stated future activities of the NRP would depend on the outcome of that appeal. Should he win his appeal, Madole stated there could be an expected increase in NRP activities. Should he lose, there will not be any activity since he will be sent to jail. Madole stated there will be no real NRP activity until the status of his appeal is determined in September, 1965.

A FEW FACTS ABOUT THE KLAN

"I'll bet you will find more good Americans in the Ku Klux Klan than in the A.D.A. (Americans for Democratic Action)." — Edwin A. Walker.

After silence had fallen over the bloody battlefields of the Civil War, came an era in American history, so black with human misery and despair that even the passing of a century has been unable to erase this turning back the clock of human progress. From this era, as every honest American knows, the Ku Klux Klan rose to assume the leadership of the Southern people and enable them to regain their rightful places in society.

By 1877, order had been restored in the South, and the Ku Klux Klan was dissolved by proclamation, but with the condition that if ever needed, it could be brought to life once again to engage any and all enemies of the South or this Great Nation.

On Friday, March 26, 1965, President Lyndon Johnson warned every Klansman to get out of the Ku Klux Klan and to join a "decent" society as the Klan was going to be investigated and destroyed. Subsequently, the House Committee on Un-American Activities, of which Rep. Edwin Willis is Chairman, began closed hearings on Klan activities and scheduled open hearings for October.

However, more than a month before LBJ's public statement on "getting the Klan," Louisiana State Senator Jesse Knowles, Chairman of the Louisiana Joint Legislative Committee on Un-American Activities, received this letter, dated February 19, 1965:

"Since reading an article in the Shreveport Times last Saturday, February 13, under dateline Washington and AP, I have been somewhat perplexed. It concerned an investigation of the Ku Klux Klan, a general term, along with three other organizations.

"Now, Mr. Knowles, I have invited Mr. Edwin E. Willis, whom I understand you know, and have welcomed an investigation of United Klans of America, Inc., and have requested that the findings of HCUA be published.

"By virtue of your relationship with the Joint Legislative Committee on Un-American Activities, I also invite your committee to investigate our organization also and make public your findings.

"If you would be so kind as to encourage Mr. Willis to investigate us and publish his findings, I would appreciate it very much.

Yours for God and Country,

(Signed)

J. M. Edwards - Grand Dragon United Klans of America, Inc."

The Louisiana Joint Legislative Committee on Un-American Activities took Mr. Edwards up on his invitation to investigate

his organization, and on July 26, 1965 they released Report #7 — "Activities of the Ku Klux Klan . . .", based on hearings held on June 16, 1965 at Baton Rouge.

The Louisiana Committee found that there is no such thing as "The Klan." According to their report, there are about 14 different groups using the name "Klan," operating in the Southern and Central United States. The Legislative Committee investigated the four Klan groups which are active in Louisiana.

Of these four Louisiana Klan organizations, the largest is known as "The Original Knights of the Ku Klux Klan." The head of this latter organization is Murray Martin, who furnished the Legislative Committee with a policy statement containing "50 reasons why you should be a member of the original Ku Klux Klan." Here are a few sample reasons:

"20. Because it believes that Judaism is not the religion of the Bible, but that it is a set of principles for the purpose of elevating the Christless Jew beyond the White races.

"40. Because it is unalterably opposed to the Zionist Jew program.

"41. Because it is opposed to the Anti-Defamation League in all respects.

"42. Because it knows the United Nations Charter has usurped the Constitution of these United States, and we are trying to get the United States out of the U.N."

The three other Louisiana Klan organizations are known as The United Klans of America, Inc., The Louisiana Ku Klux Klan, and The Original Ku Klux Klan of America, Inc., led by Houston Morris. Mr. Morris submitted a policy statement to the Louisiana Legislative Committee which said in part:

"The Original Ku Klux Klan is not and never has been the enemy of the Negro people. However, it does oppose and will continue to oppose all so-called Negro 'civil rights' organizations, Communists, and all others who sow the seeds of discontent throughout our great Nation, pitting one race against the other, attempting to mongrelize the races . . .

"The White race has always been the only true friend to the Negro in America, but they are now being misled by the wild promises of the Zionist Jew who know that these promises can never be fulfilled, but are using the passions of the Negro as a tool for their own enrichment.

"The Original Ku Klux Klan always has been and always shall be opposed to Communism in all its forms . . .

"No Zionist Jew may ever obtain membership in the Original Ku Klux Klan of America because we accept only those who profess and practice the tenets of Christianity. Christ is the Klansman's criterion of character and such would be incompatible with the Zionist Jew's religious convictions."

LET'S EXAMINE THE FACTS

WHEN WILL HCUA INVESTIGATE LAW-DEFYING, HATE-PROMOTING, VIOLENCE-INSTIGATING GROUPS SUCH AS NAACP, CORE, SNCC, ZOA, ET AL — ARMS OF THE COMMUNIST OCTOPUS IN USA

As the spotlight beams heavier on the Ku Klux Klan, and the House Committee on Un-American Activities, one finds a complete absence of the tactics that plague every appearance of the House Committee on Un-American Activities—pickets, mock derision, open defiance. Where are the long lines of rabbis and gentlemen of the cloth protesting this invasion of Civil Rights? No page ads in metropolitan dailies by outraged Americans protesting this federal invasion of privacy.

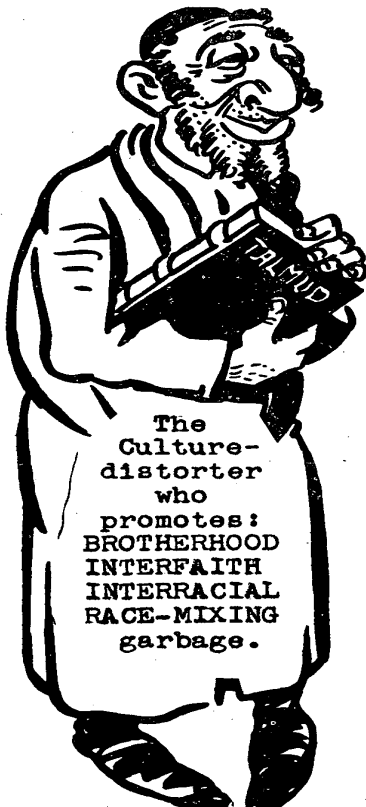

For the moment, what was black becomes white; what was un-American yesterday is today American; what was unconstitutional is now constitutional! For now the HCUA is investigating not the INTERNATIONAL COMMUNIST CONSPIRACY with its spy penetration in our own government, and its stated aim to BURY US, but is investigating an organization whose avowed purpose is to save Christianity and destroy communism.

Why not investigate the ZIONIST ORGANIZATION OF AMERICA (Foreign Agents for the illegitimate State of Israel?) whose members are in key positions in our government? This invisible government has furnished a vast amount of convicted traitors — its diabolical hand is corrupting our country from top to bottom. Let the

HCUA also investigate the ZIONIST ORGANIZATION OF AMERICA and publish findings of both the Klan and the Zionists — and let Mr. and Mrs. America know the whole truth about both of these organizations.

Recently, while watching the "CBS Report" give a highly biased and slanted TV showing on the KKK one wonders why do they not present similar "white papers" on the Communist Party? If they did, it would be just as untruthful, distorted and unreliable, no doubt, as those already given upon the poverty of Appalachia and the farm workers of Florida.

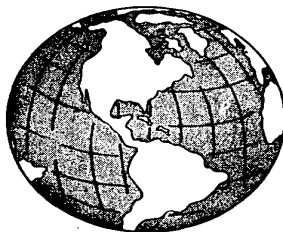

Without holding a brief either for or against the KKK, it appears that Charles Kuralt's description of the enemies of this nation better fits the Communist Party. It, too, is an "invisible empire;" it also conceals its membership; and it does not reveal its assets. Katzenbach's suggestion that required registration of all Klansmen would serve to control them, overlooks his own dereliction of duty in failing to enforce the present law which requires the Communists to register. If registration is so effective we would suggest that he get busy, as Congress directed the Justice Department to do some time ago, and either register the Communists or prosecute them.

Who Is The Minority Race?

OUTNUMBERED SEVEN-TO-ONE the White people are the minority race on earth! For every White person in the world, there are SEVEN NON-WHITES!

There's an alarming "imbalance" of Jews in every field of activity: in our courts (lenient Jew Judges) In our schools (Jew teachers & principals) In the banks & commerce (Jews, Jews, Jews) In the local and Federal Governments. Instead of anti-semitism this alarming Jew-imbalance has created anti-Christianism. Help correct this Jew-imbalance by restricting the power of materialistic JEWS.

How come everytime a police officer attempts to protect people by arresting, or if necessary, shooting a negro criminal, we suddenly witness an uproar among liberal action groups, the slanted newspapers and black agitators demanding an "investigation" and the establishment of a "Civilian Review Board"?

If a policeman has to shoot a black criminal, he is called a "murderer" by these same black agitation groups. The newspapers with their pro-negro attitude, make it look like the negro criminal shot by the police was some kind of innocent victim of "police brutality". Just what is a policeman supposed to do in order to stop the rising black crime rate? Is he supposed to look the other way everytime a white woman is raped? Is he supposed to turn his head and walk away while white men, women and children are robbed, assaulted, stabbed and murdered on the streets and in the subways? The answer is YES, according to the civil rights agitation groups!

WHAT IS A "CIVILIAN REVIEW BOARD"?

The real motive behind all the shouts of so-called "police brutality" by civil rights groups is to establish "Civilian Review Boards" which will investigate the police and discipline any policeman whom the board feels is guilty of "police brutality" and discrimination against negroes and other "minorities". The purpose of the "Review Boards" is to place a group of liberal, pro-negro

agitators over the heads of the police that will dictate and control police policy.

In order to control the streets and be free to do as they please, the black agitation groups must first remove the major obstacle in their path.... THE POLICE! The "civil rights" groups are out to CONTROL THE POLICE Departments with the establishment of the "Civilian Review Board". If you think things are bad now, just wait until your police DO NOT DARE PROTECT YOU or your women and children for fear of losing their jobs or of being accused of "discrimination" by the "Civilian Review Board".

POLITICIANS DON'T CARE!

The politicians do not care about the white people, who are the majority, because the politicians depend on the minority vote to keep them in office. White people divide themselves up as "republicans" and "democrats". The negroes and Jews do not divide themselves up. They vote together (united) as a solid bloc vote. When all the votes have been cast, the republican votes and the democratic votes just about come up EVEN... AND with whomever the negroes and Jews cast their vote, that person is going to WIN THE ELECTION! That is why the politicians do as the negroes want! That is why politicians don't care about the white people. Politicians are greedy opportunists who want to stay in office and in order to do so they must kiss the foot of every negro they can find!

A confidential source, who has furnished reliable information in the past, advised on May 22, 1966, that from 4:30 p.m. to 6:30 p.m. on May 21, 1966, ten members of the National Renaissance Party (NRP) picketed on the corner of 50th Street and Park Avenue, New York, New York, which is the location of the Waldorf Astoria Hotel. The NRP had planned to picket on the Lexington Avenue side of the Waldorf Astoria Hotel, however, upon their arrival at that location they were directed to the Park Avenue location by the New York City Police Department.

This source advised that the purpose of the picketing was to demand that Rhodesia be kept under the rule of white people, and also to express opposition to the views on Rhodesia expressed by the United States Ambassador to the United Nations, Arthur Goldberg, who resides at the Waldorf Astoria Hotel.

The above pickets carried placards with the slogans: "White Government for Rhodesia", "Kick Goldberg out of U.N.", "Civil Rights for Whites", "Zionism is Communism" and "Join the N.R.P."

This same source advised the above picketing was peaceful and there were no arrests or disorders.

It was founded in 1949 by James H. Madole, who is in complete control of the Party. NATIONAL RENAISSANCE PARTY

Subsequent to July 16, 1964, all activities of the NRP appeared to have been suspended. As of September 29, 1964, James H. Madole was free on bail pending an appeal on his conviction and sentencing on July 16, 1964. This source advised that the NRP would not be reactivated by Madole who feared that such reactivation might jeopardize his appeal.

On May 18, 1965, Detective Robert Moller, Bureau of Special Services, New York City Police Department, advised that on May 15, 1965, he had been informed by James H. Madole that his appeal would be heard sometime in early September, 1965. Madole further stated future activities of the NRP would depend on the outcome of that appeal. Should he win his appeal, Madole stated there could be an expected increase in NRP activities. Should he lose, there will not be any activity since he will be sent to jail. Madole stated there will be no real NRP activity until the status of his appeal is determined in September, 1965.

MEMBER OF SUBJECT ORGANIZATION

NY T-1
May 16, 1966

Objectives

As of October, 1965, JAMES MADOLE had printed a "program of the NRP." This program has as its announced purpose the establishment of a "Racial Nationalist State." According to the program, this would be accomplished by calling a constitutional convention to ratify the necessary amendments to the United States Constitution in order to carry out the NRP program, which program calls for the establishment of a strong, centralized "Racial Nationalist State" on the North American Continent.

This "program of the NRP" contains the objectives of the NRP in connection with various aspects of Government, such as a racial program, economic program, foreign policy program, social program, and Governmental program.

The anti-Negro and anti-Jewish nature of the NRP are exemplified by the following portions of the racial program, as set forth in the "Program of the NRP:"

NY 105-6112

1. Enact and rigidly enforce legislation to restrict the benefits of American citizenship to mentally and genetically sound members of the Caucasian race.

2. Enact legislation to prohibit intermarriage between whites and non-whites.

3. The Jewish race, which constitutes the motivating financial and intellectual backbone of the left-wing revolutionary activity in the US, as manifested in the so-called "negro civil rights movement," shall be deprived by suitable legislation of their American citizenship and shall henceforth be prohibited from holding any professional, political, or educational posts within the Racial Nationalist State. The Jew constitutes an alien virus in our national bloodstream and, as such, he must be purged from our cultural, economic, and political life.

4. Enact legislation to hasten the repatriation of American Negroes to the newly independent black nations on the African Continent under the auspices and guidance of black nationalist leadership in the United States.

5. The establishment of a selective immigration policy whose primary purpose is to attract the best European racial stock to the North American Continent in order to utilize their vast energy and talent in the task of creating a dynamic, expanding White Empire capable of withstanding the encroachments of the primitive, colored world lead by the Oriental colossus, Red China.

This NRP chapter covers all of Orange County as well as parts of Dutchess, Ulster, and Rocklyn Counties, in the State of New York. NY T-1
May 16, 1966

Membership and Recruiting Activities

At the February 3, 1966, NRP meeting, JAMES MADOLE announced that the first Orange County open meeting of the NRP, which had been planned for February 12, 1966, in Newburgh, New York, was called off because the City Council of Newburgh had gotten a temporary stay of the court order which ordered the town to allow the NRP to use the Court House at Newburgh, New York, for its meeting. According to MADOLE, the Town Council would decide on February 11, 1966, whether or not to appeal the court order permitting the NRP to use the Court House.

NY T-1
February 16, 1966

"The Evening News," a Newburgh, New York daily newspaper, dated February 12, 1966, Page 2A, contained an article captioned "County Appeals NRP Court Order." According to this article, leaders of the NRP, who were denied speaking privileges, heard the Orange County Board of Supervisors on February 11, 1966, authorize an appeal from a court order that would grant use of a court building to the NRP. Representatives of this radical group found no sponsoring supervisor who would ask the privilege of the floor for them.

The above article further stated that after the board's action, Mr. MADOLE told reporters he was prepared to wait for use of the County Court House in Newburgh. However, he might call a street meeting and produce an even bigger crowd.

NY 105-6112

This article related that at the board's June 11, 1965 meeting, upon recommendation of the Buildings Committee, a set of rules was adopted denying court houses at Newburgh and Goshen to any but federal, state, and county agencies and political parties as defined in the state election law (with 50,000 votes in the last Gubernatorial election). Mr. MADOLE had applied August 29, 1965, for the use of the court house at Newburgh for October 16, 1965. His request was denied on the grounds that the NRP was not a political party under state law.

Mr. MADOLE began a court action on November 5, 1965, and the case was heard on December 6, 1965, before Supreme Court Justice LEONARD J. SUPPLE. Justice SUPPLE granted Mr. MADOLE's application and entered judgment January 24, 1966. The order found that the board's June rules were determined unconstitutional in limiting the definition of a political party to the election law. The court directed the county to issue the permit, however, on January 26, 1966, a notice of appeal was filed, thereby staying enforcement.

As of May 16, 1966, the Orange County Chapter of the NRP existed in name only. Although ROBERT BURROS continues to serve as its Regional Director and Organizer, there is no actual membership and no meetings have been held.

NY T-1
May 16, 1966

As of May 16, 1966, there were no local chapters of the NRP in existence, with the exception of the above mentioned Orange County Chapter.

III. ACTIVITIES OF THE NRP

Status of the NRP

As of February 12, 1966, JAMES MADOLE was making an attempt to recruit additional male and female members into the NRP. He stated he plans to accomplish this by holding public meetings in New York City public schools at night and by distributing literature telling about the policies and programs of the NRP. The first public school he will attempt to obtain is the Robert F. Wagner Junior High School, 220 East 76th Street, New York, New York. As of February 12, 1966, there was no decision given by the Board of Education as to whether or not the school would be made available to the NRP.

NY T-1
February 16, 1966

Concerning use of the public schools, the "New York World Telegram and Sun," a New York City daily newspaper, dated February 24, 1966, Page 30, contained an article captioned "Allen May Decide Use of Schools by Nazi Group." According to this article, the Anti-Defamation League of B'nai B'rith today prepared to take action to stop the Board of Education from allowing the NRP, a neo-Nazi group, from meeting in a school auditorium on Friday, March 18, 1966. An ADL spokesman stated that it was outrageous that a public school building should be misused for the purposes of a hate-mongering outfit such as the NRP. Since the NRP is neither a political organization nor serves any worthwhile civic or social function, it has no valid claim to use the tax supported public school to disseminate its poison.

According to the above article, one school official explained that the board had no choice but to grant the request of the NRP because of an opinion by Corporation Counsel J. LEE RANKIN that it had to do so.

NY 105-6112

"The New York Times," a New York City daily newspaper, dated February 25, 1966, Page 27, contained an article captioned "City School Opened to Neo-Nazi Party." This article stated that the Board of Education has given the NRP permission to meet on March 18, 1966, at the Robert F. Wagner Junior High School, 220 East 76th Street, New York, New York. The Board agreed, after being told by the Corporation Counsel last week that it could not legally refuse the Party to use school facilities during after-school hours while granting this privilege to other organizations. School authorities had turned down the party's original request last August, 1965, asserting that the meeting "might tend to cause dissension or provoke disorder."

On March 11, 1966, there was a meeting of the "West Side Community Club of the Jewish Cultural Clubs and Societies," which was held at the Hotel Beacon in New York City. At this meeting it was announced that Mayor JOHN LINDSAY of New York City had given the NRP permission to use a school, inasmuch as the NRP was a political party. An unidentified individual in the audience stated he had protested this decision and went to the Mayor's office where he was again told that the NRP is a political party. This individual then urged those in attendance to write to Senator ROBERT F. KENNEDY in protest.

NY T-2

March 14, 1966

The Jewish Cultural Clubs and Societies
is characterized in the appendix attached
hereto.

At the March 24, 1966 NRP meeting, JAMES MADOLE stated the open meeting held at the Robert F. Wagner Junior High School on March 18, 1966, was a great success and that more open meetings would be held in the future in school houses throughout the city. He further stated he wants to start holding street meetings every week beginning some time after

NY 105-6112

May, 1966, which meeting would be held at 84th Street and Second Avenue, New York, New York. In connection with these street meetings, he suggested that a sound system be purchased in the near future or that a sound system be rented by the NRP.

NY T-1
April 5, 1966

Meetings During the Period
January 20, 1966, to May 5, 1966

The NRP held 16 meetings at its headquarters, 10 West 90th Street, New York, New York.

NY T-1
January 28 - May 16, 1966

The above meetings are regularly scheduled and held on Thursday evening. Although they are supposedly open to anyone expressing an interest in the NRP, with few exceptions, these meetings are attended by an average of approximately eight NRP members. At these meetings discussions are led by JAMES MADOLE and involve discussions of the program of the NRP, plans for future expansion of the NRP, as well as plans for forthcoming demonstrations, literature distribution, and street rallies.

NY T-1
May 16, 1966

Public Gatherings and Demonstrations

On February 5, 1966, eight NRP members demonstrated in the vicinity of Times Square in New York City. This demonstration was in the nature of a street meeting and the purpose was to call attention to and protest the anti-Viet Nam demonstrations which had then recently taken place in New York City and elsewhere in the United States.

NY T-1
February 16, 1966

NY 105-6112

On February 19, 1966, eight NRP members paraded around the Times Square area of New York City from 12:30 PM to 3 PM in order to counter-picket various peace groups engaged at that time in protesting the involvement of the United States in the war in Viet Nam. The NRP members carried placards which stated "Kill Communism," "Join the NRP," and "No Civilian Review Board."

NY T-1
March 7, 1966

On March 11, 1966, four NRP members, and on March 12, 1966, six NRP members distributed leaflets in the vicinity of 86th Street and Lexington Avenue, New York, New York, which announced the forthcoming NRP open meeting to be held on March 18, 1966, at the Robert F. Wagner Junior High School.

NY T-1
March 7, 1966
March 17, 1966

On March 18, 1966, the NRP held an open meeting from 8:15 PM to 10:30 PM at the Robert F. Wagner Junior High School, 220 East 76th Street, New York, New York. There were fourteen members of the NRP and approximately 200 other individuals in attendance. Ten of the NRP members were seated on the stage of the school auditorium, eight of whom were dressed in the Nazi-type uniforms of the Security Echelon of the NRP.

At the above meeting, JAMES MADOLE was the main speaker. His speech was anti-Jewish and anti-Negro and he stated the white Christians are being deprived of their rights, while at the same time the Government adopts programs which favor organized Jews and Negroes. During his speech MADOLE also condemned President LYNDON B. JOHNSON and Secretary of Defense MC NAMARA for their alleged failure to send proper and sufficient equipment to American soldiers in Viet Nam.

ROBERT BURROS was the second NRP speaker. He spoke regarding his legislative program in Orange County, New York,

NY 105-6112

where he intends to be a candidate for the New York State Assembly. According to BURROS, this legislation would prohibit the busing of white children and provide the death penalty for narcotics pushers.

A Mr. PARKER, an NRP sympathizer from Boston, Massachusetts, was also a speaker. He stated the American troops in Viet Nam are not receiving the proper equipment in order to carry on the war. He advocated that a nuclear bomb be dropped on Hanoi.

Approximately 1/3 of the audience opposed the views of the speakers and heckled them during the speeches. No arrests or disorders took place at this meeting.

NY T-1
April 5, 1966

On March 26, 1966, at approximately 2 PM seven members of the NRP counter-demonstrated against the 5th Avenue Peace Parade which was taking place in conjunction with International Days of Protest. This parade consisted of various peace groups in the New York City area. The NRP members, who were located in the vicinity of 86th Street and 5th Avenue, New York, New York, shouted slogans at the peace marchers such as "Win in Viet Nam" and "Kill the Peace Creeps."

IV. FINANCES MEMBER OF SUBJECT ORGANIZATION

JAMES MADOLE continues to depend on [redacted] an NRP member from [redacted]. In this connection at the February 10, 1966 NRP meeting, MADOLE stated that the printing of NRP literature was being held up until such time as WEISS gives MADOLE the money to pay the printer.

NY T-1
February 16, 1966

NY 105-6112

In addition to the funds supplied by WEISS, financial appeals for contributions continued to be made in all NRP publications. In addition, there are small contributions from time to time by NRP members at the meetings. MADOLE derives some money from the sale of books which are written by other individuals and recommended by MADOLE.

NY T-1
May 16, 1966

V. PUBLICATIONS AND LITERATURE

Beginning in January, 1965, the New York Office of the Federal Bureau of Investigation (FBI) had been in receipt of a large volume of mail which came direct from individuals as well as by referral from the United States Post Office. In all instances, these letters forwarded literature which had been received unsolicited and which, in most but no all cases, contained the return address of JAMES MADOLE, 10 West 90th Street, New York, New York.

The individuals forwarding the above literature expressed indignation and requested that the mailing of such literature be stopped by the post office. The individuals who registered a complaint with the post office were advised that it was regretted the mails are used from time to time for the dissemination of matter critical of religions, races, and political views, however, there was no violation involved under current postal laws, particularly when sent under cover of envelopes with nothing derogatory appearing on the outside thereof.

The above letters were all postmarked in New York City, and were mailed to various sections of the country to college students, educators, business executives and politicians. The literature enclosed in these letters is described below:

NY 105-6112

1. A seven page pamphlet captioned "Who is the Real Enemy?", which is self-identified as a publication of the NRP. According to this pamphlet, the Jews strive for complete control of the press, radio, motion picture and television industries so that they can bring about complete enslavement of the white race. The pamphlet states that if "white gentiles are to save themselves from being herded to the slaughter like docile sheep, the time is long overdue to organize against our real enemy." The pamphlet goes on to state that if we do not recognize the Jew as our enemy "our race of people will disappear from the earth."

2. A one page leaflet captioned "Youth Movements," which is self-identified as a publication of the NRP. This leaflet states that all youth movements calling for the mixing of Negro and white children which are established by Jewish, Christian, political and labor organizations, are for the purpose of destroying "the civilized world for Communism by mating your white innocent with the loathsome Negro."

3. A two-page leaflet captioned, "Christian Preachers and Communist Agents Oppose the Repeal of the Rumford Act," which is self-described as a publication of the NRP. This leaflet deals with the Rumford Act, which outlaws discrimination in the sale or rental of houses and apartments in the State of California. This leaflet states that to claim that racial differences are not at issue in this repeal contest is a transparent pretense. The Rumford Act makes block busting easy for undesirable types and once they gain entrance, property values sharply decline. This leaflet further states that it is social madness to let loose among civilized people a rapid-breeding people mentally qualified for jungle life. Indiscrimination inevitably defaces the better human types.

4. One page leaflet captioned, "Integration," which is self-identified as a publication of the National States Rights Party (NSRP). This leaflet contains pictures of a

NY 105-6112

Mr. and Mrs. MACINTOSH and their child as an example of racial intermarriage which produced a mongrel child. This leaflet states that "Integration, degeneration, mongrelization, call it what you will, is the deliberately forced social association of white people and racially inferior Negroes the purpose of which is racial intermarriage and the production of a race of simple minded, docile mulattoes who will be obedient to their Jewish masters.

The NSRP is characterized in the appendix.

5. A one page leaflet which is captioned, "Communist Party behind Race Mixing," which is self-identified as a publication of the Christian Youth Corps. This leaflet bears the slogan "Communism is Jewish." This leaflet states that only the Christian young men of this nation can save it from the Jew - Communist conspiracy. Prepare yourselves for this battle for CHRIST, when the CHRIST hating Jews unleash their Red Communist hordes upon us.

JEWISH CULTURAL CLUBS AND SOCIETIES

A source advised on April 27, 1954, that the former leaders, including GEDALIA SANDLER, Executive Secretary, of the Jewish People's Fraternal Order (JPFO), Jewish nationality section of the International Workers Order (IWO) had established a committee at 1133 Broadway, New York, New York. Through this committee they were organizing cultural clubs and societies based on JPFO lodges which had been dissolved on December 15, 1953, in the course of proceedings by the New York State authorities culminating in the liquidation of the IWO.

A second source advised on March 15, 1961 that a meeting of the National Groups Commission of the Communist Party, United States of America, was held on March 2, 1961, in New York City. GEDALIA SANDLER was among those present and spoke of his experiences in maintaining the Jewish lodges after the dissolution of the IWO, which, to avoid prosecution, have no national name or organization.

SANDLER stated that these lodges "lived" as clubs and societies by maintaining their cultural, fraternal and civic activities, but which activities are less political than in the former lodges. New York gave leadership to the rest of the country since the New York lodges were the strongest and had the more politically developed comrades.

These clubs and societies still maintain a medical plan, funeral benefits and mutual aid funds. There are 132 clubs and societies nationally, 63 of which are located in New York City.

A third source furnished information on May 18, 1965 that the clubs and societies are located at 1133 Broadway, Room 1429, New York, New York, under the name of the Jewish Program Service Committee, but are more widely known as the Jewish Cultural Clubs and Societies.

The IWO and the JPFO have been designated pursuant to Executive Order 10450.

APPENDIX

NATIONAL RENAISSANCE PARTY

On May 19, 1965, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro, and neo-Fascist organization with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of James H. Madole at 10 West 90th Street, New York City.

On March 4, 1965, Robert Joseph Burros, 215 First Street, Newburgh, New York, advised that he is the National Secretary of the NRP and as such is second in command to James H. Madole, National Director. Mr. Burros stated that the NRP is a fascist organization but that it operates openly. He stated that the NRP advocates the use of the ballot in order to win a national election and take over the government. If the NRP should gain power it would then proceed to change the constitution in a legal way in order to give it the right to use militant means in dealing with those who would seek to overthrow this democracy such as the Communist Party.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954, stated that NRP activity and propaganda are clearly subversive and un-American.

On September 29, 1964, a second source advised that on July 16, 1964, James H. Madole, National Director of the NRP, was sentenced to two years in jail following his conviction on a charge of riot.

APPENDIX

2.

NATIONAL RENAISSANCE PARTY

Subsequent to July 16, 1964, all activities of the NRP appeared to have been suspended. As of September 29, 1964, James H. Madole was free on bail pending an appeal on his conviction and sentencing on July 16, 1964. This source advised that the NRP would not be reactivated by Madole who feared that such reactivation might jeopardize his appeal.

On May 18, 1965, [REDACTED] Bureau of Special Services, New York City Police Department, advised that on May 15, 1965, he had been informed by James H. Madole that his appeal would be heard sometime in early September, 1965. Madole further stated future activities of the NRP would depend on the outcome of that appeal. Should he win his appeal, Madole stated there could be an expected increase in NRP activities. Should he lose, there will not be any activity since he will be sent to jail. Madole stated there will be no real NRP activity until the status of his appeal is determined in September, 1965.

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

Issue No. 19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

Issue No. 69, dated July, 1965, of "The Thunderbolt" announced the address of the new headquarters of the NSRP as Post Office Box 184, Augusta, Georgia.

On August 4, 1965, a source advised that EDWARD R. FIELDS, the Information Director of the NSRP and Editor of "The Thunderbolt," is the individual who actually controls the NSRP.

A confidential source, who has furnished reliable information in the past, advised on June 23, 1966, that the National Renaissance Party (NRP) would hold an open meeting on June 24, 1966, at Schwaben Hall, 474 Knickerbocker Avenue, Brooklyn, New York, starting at 8:00 p.m.

This same source advised on June 24, 1966, that the owner of Schwaben Hall had cancelled the above meeting after receiving telephone calls from residents of the East New York section of Brooklyn, who stated that there would be trouble at the NRP meeting.

The source stated that James Madole, National Director of the NRP, decided to hold a street meeting in front of Schwaben Hall since the use of the hall had been denied. *NY*

At 8:00 p.m. on June 24, 1966, James Madole and nine other NRP members started their street meeting in front of Schwaben Hall.

James Madole attempted to make a speech. The speech was inaudible due to the fact there was a group of Jewish War Veterans who drowned out the speech by singing the Star Spangled Banner, God Bless America and chanting "freedom now" and "throw Nazis out".

James Madole attempted to speak for 45 minutes. When some unidentified spectators began throwing eggs and tomatoes, the street meeting was discontinued at 8:45 p.m. The NRP members packed up their equipment and departed the area.

The New York City Police Department was on the scene and there were no arrests or incidents.

On July 28, 1966, a source advised that the National Renaissance Party (NRP) was founded in 1949 by James H. Madale, who continues to serve as its National Director and is in complete control of the NRP.

The source further stated that the NRP has its headquarters in the residence of James H. Madale at 10 West 90th Street, New York, New York. Weekly meetings are held at this location on Thursday evenings.

The source described the NRP as an anti-Negro, anti-Semitic and neo-Fascist organization.

This source stated on July 28, 1966, that James H. Madale, as of October, 1965, distributed a printed "program of the NRP", which program had as its announced purpose the establishment of a "Racial Nationalist State". According to the program, this would be accomplished by calling a Constitutional Convention to ratify the necessary amendments to the United States Constitution in order to carry out the United States Constitution in order to carry out the NRP program for the establishment of a "Racial Nationalist State".

This source further advised that as of July 28, 1966, this "program of the NRP" remains in effect and that the anti-Negro and anti-Semitic nature of the NRP is exemplified by the following excerpts from this program:

1. Enact and rigidly enforce legislation to restrict the benefits of American citizenship to mentally and genetically

2. Enact legislation to prohibit intermarriage between whites and non-whites.

3. The Jewish race shall be deprived by suitable legislation of their American citizenship and shall henceforth be prohibited from holding any professional, political, or educational posts within the Racial Nationalist State. The Jew constitutes an alien virus in our national bloodstream and, as such, he must be purged from our cultural, economic, and political life.

4. Enact legislation to hasten the repatriation of American Negroes to the newly independent black nations on the African Continent under the auspices and guidance of black nationalist leadership in the United States.

5. The establishment of a selective immigration policy whose primary purpose is to attract the best European racial stock to the North American Continent in order to utilize their vast energy and talent in the task of creating a dynamic, expanding White Empire capable of withstanding the encroachments of the primitive, colored world lead by the Oriental colossus, Red China.

APPENDIX

1.

NATIONAL RENAISSANCE PARTY

On May 19, 1965, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro, and neo-Fascist organization with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of James H. Madole at 10 West 90th Street, New York City.

On March 4, 1965, Robert Joseph Burros, 215 First Street, Newburgh, New York, advised that he is the National Secretary of the NRP and as such is second in command to James H. Madole, National Director. Mr. Burros stated that the NRP is a fascist organization but that it operates openly. He stated that the NRP advocates the use of the ballot in order to win a national election and take over the government. If the NRP should gain power it would then proceed to change the constitution in a legal way in order to give it the right to use militant means in dealing with those who would seek to overthrow this democracy such as the Communist Party.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954, stated that NRP activity and propaganda are clearly subversive and un-American.

On September 29, 1964, a second source advised that on July 16, 1964, James H. Madole, National Director of the NRP, was sentenced to two years in jail following his conviction on a charge of riot.

APPENDIX

2.

NATIONAL RENAISSANCE PARTY

Subsequent to July 16, 1964, all activities of the NRP appeared to have been suspended. As of September 29, 1964, James H. Madole was free on bail pending an appeal on his conviction and sentencing on July 16, 1964. This source advised that the NRP would not be reactivated by Madole who feared that such reactivation might jeopardize his appeal.

On May 18, 1965, [REDACTED] Bureau of Special Services, New York City Police Department, advised that on May 15, 1965, he had been informed by James H. Madole that his appeal would be heard sometime in early September, 1965. Madole further stated future activities of the NRP would depend on the outcome of that appeal. Should he win his appeal, Madole stated there could be an expected increase in NRP activities. Should he lose, there will not be any activity since he will be sent to jail. Madole stated there will be no real NRP activity until the status of his appeal is determined in September, 1965.

A confidential source, who has furnished reliable information in the past, advised on September 6, 1966, that the National Renaissance Party (NRP) held a street meeting from 7:45 PM to 9:40 PM on September 2, 1966, at 85th to 86th Street on First Avenue, New York, New York.

There were approximately eighteen individuals representing the NRP and approximately 350 spectators in attendance.

On orders from James Madole, National Director of the NRP, the NRP representatives were not dressed in their storm trooper uniforms in order to conform with recently passed legislation in New York which prohibits the wearing of storm trooper-type uniforms in public.

James Madole was the main speaker. He spoke about the New York law prohibiting the wearing of storm trooper uniforms in public. He stated this legislation was passed for the benefit of minority groups and that the NRP will have an attorney go to court to contest this law.

Robert Burros, Regional Director of the NRP, was also a speaker. He spoke about the Federal Reserve Act, alleging it was only instituted as a temporary measure. He stated it is time to abolish the Federal Reserve Act because Jews are gaining too many benefits from it.

According to this source, a great portion of the speeches were inaudible due to presence of hecklers in the audience. Individuals in apartments located above the location of the meeting opened their windows and attempted to drown out the speakers by playing phonographs at top volume.

This same source advised that police barricades had been erected prior to the meeting and that police officers were on duty during the meeting. With the exception of a few tomatoes which were thrown at NRP representatives, there were no disorders and no arrests were made.

ReNYairtel 8/30/66.

Above referenced airtel advises that Section 1484A of the Penal Law, New York, prohibits the wearing of the "storm trooper uniform or anything similar to it in public." The New York Police Department has been unable to locate reference books describing the official storm trooper uniform of the Nazi Party of Germany.

A review of Bureau files fails to reveal any information concerning this matter.

On September 1, 1966, Merril T. Kelly, Office of the Assistant Chief of Staff for Intelligence, Department of the Army, Washington, D. C., advised that the U. S. Army has destroyed all available training material concerning uniforms utilized by the Germany Army in World War II, however, some material was sent to the National Archives, Room 11W, 8th and Pennsylvania Avenue, Washington, D. C. This material is on microfilm.

WFO is instructed to review material available and determine procedure New York City Police Department should employ to obtain this information and advise the New York Office expeditiously as the National Renaissance Party has scheduled a street meeting early in September, 1966. The New York Office should advise the New York Police Department of this procedure so that in any court proceeding the source of the material describing the storm trooper uniform will be the National Archives not the FBI.

[redacted] stated he has been unsuccessful in finding reference books describing the official stormtrooper uniform of the Nazi Party of Germany. He pointed out that JAMES MADOLE of the National Renaissance Party (NRP) has scheduled a street meeting of the NRP on Friday, 9/2/66, and usually at these meetings members of the NRP appear in the NRP uniform.

[redacted] stated that it is uncertain if the NRP uniform would ^{come} under the above-mentioned section of the Penal Law.

In order to determine if a uniform such as the NRP uniform falls under this section, it is necessary that descriptive information of the stormtrooper uniform be

ReBuairtel, 9/2/66, captioned as above.

On 9/9/66, [redacted]
Archivists, Room 11W, Military Document Unit, National
Archives (NA), furnished the following information to
SA [redacted]

NA will loan to the FBI a book containing color illustrations of the SA and SS German Army uniforms for the purpose of having the FBI Laboratory prepare color copies of this material. This material cannot be loaned to other than another U.S. Government agency. They explained that the NA has no facilities for making color reproductions of this material. This material consists of about eight or nine pages from a book which is about one and 3/4 inches thick and is about 8" x 9" in length and width.

This book and the Bureau reproductions would then be returned to NA; the reproductions certified by the NA and upon request by the New York Police Department (NYPD), furnished to the NYPD as authentic material from the Archives.

[redacted] further advised that additional material pertaining to descriptions of the uniforms and material pertaining to the history and evolution of the "Stormtrooper" uniform and existence as a military unit is also available on microfilm from original German Army documents. This material can be copied and certified by NA as requested by the NYPD. (Costs: 75¢ first page and 50¢ each additional page; \$15 or \$20 should, at the outside, provide all of the material needed. This cost to be provided by the NYPD.)

b6
b7C

They advised that in order to save time and expense in regard to this material, the NYPD should, in their letter of request for the material, specifically describe what is needed and if possible furnish a copy of the New York statute or ordinance pertaining to the "Stormtrooper" uniform. Also, if feasible, a photograph, preferably in color, of such a uniform. This was desirable, they explained, as the uniform of the so-called "Stormtrooper" varied as to when it was issued or authorized; further, they explained that the popular term "Stormtrooper uniform" may in vague terms relate also to uniforms of other units of the German Army, such as the later "SS" uniform. They noted that, for instance, the uniform normally associated with ROCKWELL's group was more similar to the SA (original Stormtrooper unit before the purge of this unit by HITLER in 1934).

In regard to the above, the illustrations referred to earlier pertain to the SA uniform authorized as of 1943. During the 1920s and 1930s, some units of the HITLER group were referred to as "Brown Shirts" and "Black Shirts" and at one time, the "Prohibition Shirts" (which was a white shirt that was used during a period when HITLER's group had not achieved sufficient power.)

It is further noted that much of the description pertaining to the above material is in German and the NA has no provisions for providing translations. This is action that would have to be provided by the NYPD.

WFO 157-1072

In order for the NYPD to request the above material from the NA, WOLFE suggested that the NYPD prepare a letter addressed to Dr. ROBERT BAHMER, Archivist of the United States, 8th and D Streets, N.W., Washington, D.C., and request as follows:

1. Selections of copies of material in the custody of the U.S. Archives pertaining to the appearance of the so-called "Stormtrooper" uniform of the German Army. (Here, the request should be made as specific as possible as to what is wanted in regard to the provisions of the New York statute prohibiting the wearing of a "Stormtrooper" uniform)
2. Enclose a copy of the New York statute and photographs of such uniform in question, if possible
3. Request brief description of the evolution and history of the wearing of the "Stormtrooper" uniform, if this is felt necessary for NYPD's purposes to relate this to any uniform being worn in violation of the New York statute

For the information of the New York Office, Bureau monograph entitled "American Nazi Party," on page 44 (facing) contains a photograph of the official American Nazi Party uniform as established by GEORGE LINCOLN ROCKWELL. On page 43 is a description of the U.S. Nazi Stormtrooper uniform. It is noted that the photograph of this uniform differs from those set forth in the material in the custody of the NA.

WFO taking no further action until information received from New York re the desires of the NYPD.

National Renaissance Party

A confidential source, who has furnished reliable information in the past, advised on September 12, 1966, that the National Renaissance Party (NRP) held a street meeting from 7:30 PM to 9:30 PM on September 9, 1966, at 85th Street and First Avenue, New York, New York.

According to this source there were approximately 16 individuals representing the NRP and between 700 and 800 spectators.

The source estimated that approximately 200 of the spectators displayed support for the NRP. The remainder of the spectators consisted mainly of hecklers and included representatives of the Jewish War Veterans (JWV). The JWV representatives sang in Hebrew and sang the "Star Spangled Banner" in English in an effort to drown out the speakers.

The NRP representatives were not dressed in storm trooper uniforms on orders from James Madole, National Director of the NRP. During the street meeting Madole stated that the legislation in New York prohibiting the wearing of storm trooper-type uniforms in public is unconstitutional and that the American Civil Liberties Union will represent the NRP and contest this law in the courts.

James Madole spoke about the assassination of Hendrick Verwoerd, Prime Minister of South Africa, on September 6, 1966. He stated that Verwoerd was the legal ruler of South Africa, was popular and was doing a good

job with the problem of segregation. Despite this, he was assassinated. Madole stated that Black Africans are streaming into South Africa to live because conditions are so good. Madole stated that this migration of blacks to South Africa is proof that a policy of white supremacy is workable and desirable.

^{11/4} ~~Robert~~ Burros, Regional Director of the NRP, was also a speaker. He stated that the civil rights marches and riots in the mid-West are actually instigated by Communists. He urged those present to carry "White Power" signs in order to counteract the "Black Power" forces. He urged those in attendance to stand up for their rights and refuse to take any nonsense from black supremacists.

This same source advised that police barricades had been erected and that during the meeting police officers in uniform and also civilian dress circulated among the spectators. A few tomatoes and eggs were thrown at NRP representatives, however, there were no disorders and no arrests were made.

A characterization of the NRP is attached hereto, and all sources mentioned therein have furnished reliable information in the past.

APPENDIX

1.

NATIONAL RENAISSANCE PARTY

On May 19, 1965, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro, and neo-Fascist organization with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of James H. Madole at 10 West 90th Street, New York City.

On March 4, 1965, Robert Joseph Burros, 215 First Street, Newburgh, New York, advised that he is the National Secretary of the NRP and as such is second in command to James H. Madole, National Director. Mr. Burros stated that the NRP is a fascist organization but that it operates openly. He stated that the NRP advocates the use of the ballot in order to win a national election and take over the government. If the NRP should gain power it would then proceed to change the constitution in a legal way in order to give it the right to use militant means in dealing with those who would seek to overthrow this democracy such as the Communist Party.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954, stated that NRP activity and propaganda are clearly subversive and un-American.

On September 29, 1964, a second source advised that on July 16, 1964, James H. Madole, National Director of the NRP, was sentenced to two years in jail following his conviction on a charge of riot.

APPENDIX

2.

NATIONAL RENAISSANCE PARTY

Subsequent to July 16, 1964, all activities of the NRP appeared to have been suspended. As of September 29, 1964, James H. Madole was free on bail pending an appeal on his conviction and sentencing on July 16, 1964. This source advised that the NRP would not be reactivated by Madole who feared that such reactivation might jeopardize his appeal.

On May 18, 1965, [REDACTED] Bureau of Special Services, New York City Police Department, advised that on May 15, 1965, he had been informed by James H. Madole that his appeal would be heard sometime in early September, 1965. Madole further stated future activities of the NRP would depend on the outcome of that appeal. Should he win his appeal, Madole stated there could be an expected increase in NRP activities. Should he lose, there will not be any activity since he will be sent to jail. Madole stated there will be no real NRP activity until the status of his appeal is determined in September, 1965.

On November 8, 1966, a confidential source who has furnished reliable information in the past, advised that on November 4, 1966, the National Renaissance Party (NRP) held a street meeting at York Avenue and 85th Street, New York, New York, from approximately 7:30 PM to 9:30 PM.

According to this source, there were eleven individuals representing the NRP in attendance.

James ~~Madole~~, National Director of the NRP, was the featured speaker. Madole spoke against the Police Civilian Review issue in New York City. He urged those in attendance to vote against the Civilian Review Board in the forthcoming election on November 8, 1966. He cautioned those in attendance that if the Civilian Review Board is continued, the police might not do their best work because they would know their actions would be subject to review by a board composed of civilians.

This same source further advised that during Madole's speech there was a great deal of heckling from the audience. Regarding these hecklers, Madole stated during his speech that the Jews who were trying to shout him down were afraid to hear the truth. In his speech, he further commented that Jews could only shout him down in this country.

I. ORGANIZATIONAL STRUCTURE

Headquarters

The National Headquarters of the NRP continues to be maintained at 10 West 90th Street, New York, New York, which address is also the residence of JAMES MADOLE, National Director of the NRP.

SUBJECT ORGANIZATION

NY T-1

December 30, 1966

Objectives

The objectives of the NRP continue to be the same as those set forth in the "Program of the NRP" as printed and distributed in October, 1965. This program has as its announced purpose the establishment of a "Racial Nationalist State". According to the program, this would be accomplished by calling a constitutional convention to ratify the necessary amendments to the United States Constitution in order to carry out the NRP program, which program calls for the establishment of a strong, centralized "Racial Nationalist State" on the North American Continent.

This "Program of the NRP" contains the objectives of the NRP in connection with various aspects of Government, such as a racial program, economic program, foreign policy program, social program, and Governmental program.

The anti-Negro and anti-Jewish nature of the NRP are exemplified by the following portions of the racial program, as set forth in the "Program of the NRP:"

1. Enact and rigidly enforce legislation to restrict the benefits of American citizenship to mentally and genetically sound members of the Caucasian race.
2. Enact legislation to prohibit intermarriage between whites and non-whites.
3. The Jewish race, which constitutes the motivating financial and intellectual backbone of the left-wing revolu-

tionary activity in the US, as manifested in the so-called "negro civil rights movement," shall be deprived by suitable legislation of their American citizenship and shall henceforth be prohibited from holding any professional, political, or educational posts within the Racial Nationalist State. The Jew constitutes an alien virus in our national bloodstream and, as such, he must be purged from our cultural, economic, and political life.

4. Enact legislation to hasten the repatriation of American Negroes to the newly independent black nations on the African Continent under the auspices and guidance of black nationalist leadership in the United States.

5. The establishment of a selective immigration policy whose primary purpose is to attract the best European racial stock to the North American Continent in order to utilize their vast energy and talent in the task of creating a dynamic, expanding White Empire capable of withstanding the encroachments of the primitive, colored world lead by the Oriental colossus, Red China.

Membership

As of December 30, 1966, there were 23 individuals known to be members of the NRP. This membership consists of individuals who regularly attend NRP meetings and participate in street meetings, demonstrations, picketings and literature distribution. From time to time, JAMES MADOLE makes exaggerated claims as to NRP membership in which he indicates the NRP has over 1500 members. Such membership figures do not reflect active membership and are arrived at by including as members all individuals who have in the past taken membership in the NRP and/or correspond with or are on the mailing list of the NRP.

II. LOCAL CHAPTERS

Under the leadership of ROBERT BURROS, Regional Director and Organizer for Orange County, New York, the NRP established a local chapter of the NRP in Orange County, New York. This chapter covered all of Orange County as well as parts of Dutchess, Ulster and Rockland Counties, in the State of New York. Its headquarters were maintained at 215 First Street, Newburgh, New York; an address which was actually the residence of the parents of ROBERT BURROS.

NY 105-6112

The Orange County chapter never succeeded in holding any meetings as of late October, 1966. It existed in name only, since it had no active membership and no meetings were ever held. The Orange County chapter ceased to exist as of late October, 1966, due to the fact ROBERT BURROS resigned his position as Regional Director and Organizer for Orange County and also terminated his membership in the NRP. This resignation resulted from the fact that BURROS had suffered a nervous breakdown.

NY T-1
December 30, 1966

As of late December, 1966, there were no local chapters of the NRP in existence. The parent organization, which regularly meets at NRP Headquarters, continues to be the only active unit in the NRP, and no efforts are being made to establish any local chapters.

NY T-1

III. ACTIVITIES OF THE NRP

Status of the NRP

As of late December, 1966, the NRP was continuing to hold its regularly scheduled Thursday night meetings at its headquarters, 10 West 90th Street, New York, New York. On most Sunday evenings NRP socials are also held at the headquarters. In addition, JAMES MADOLE continues to espouse the NRP program through picketings, street meetings and on two occasions has attempted to hold open meetings in public meeting halls. Details regarding these events are set forth subsequently in this report.

At the June 23, 1966; NRP meeting JAMES MADOLE announced that the use of Schwaben Hall, located at 474 Knickerbocker Avenue, Brooklyn, New York, had been cancelled by the owner as a result of anonymous threats received by the owner. According to MADOLE, the anonymous callers threatened violence if the NRP was permitted to use Schwaben Hall. MADOLE stated that although he was in favor of the NRP speaking out, he would not take the chance of violence by holding this meeting. Therefore, this meeting would be held outdoors; rather than inside the hall.

NY T-1
June 27, 1966

On June 24, 1966, ten NRP members started a street meeting in front of Schwaben Hall at 8:00 p.m. JAMES MADOLE attempted to make a speech. His speech was inaudible due to the fact that there was a group of Jewish War Veterans who drowned out the speech by singing the "Star Spangled Banner", "God Bless America" and chanting "Freedom Now" and "Throw Nazis Out". For 45 minutes MADOLE attempted to deliver his speech. Some unidentified spectators began throwing eggs and tomatoes at the NRP members, at which time the meeting was terminated at approximately 8:45 p.m. The New York City Police Department (NYCPD) was on the scene, but there were no arrests or incidents.

June 27, 1966

On July 30, 1966, ten NRP members picketed the German Consulate, Park Avenue and 57th Street, New York, New York, from 3:00 p.m. to 4:00 p.m. All members, with the exception of JAMES MADOLE, were dressed in SE uniforms.

NY 105-6112

Some of the NRP placards read: "Free Rudolf Hess, Victim of Jew Hatemongers", "Jews Started the War Crimes Trials", and "Jewish Vampires Feed Off German Economy". At 4:00 p.m. this picketing was terminated because many spectators began to verbally denounce the NRP members to the point where violence appeared imminent.

August 16, 1966

On August 12, 1966, nine NRP members held a street meeting at 84th Street and Second Avenue, New York, New York, from approximately 7:30 p.m. to 9:30 p.m. JAMES MADOLE was the main speaker and in his speech he attempted to explain the program of the NRP to approximately 400 spectators. During his speech he alleged that the Negro marches and riots taking place in the United States were Communist inspired. Many of the spectators during the meeting were shouting "White Power". No arrests or incidents resulted from this meeting.

August 16, 1966

On August 19, 1966, 14 NRP members held a street meeting at 84th Street and Second Avenue, New York, New York, from approximately 7:50 p.m. to 8:45 p.m. JAMES MADOLE spoke about how the small, inexpensive buildings in the Yorkville Section of Manhattan were being torn down to make way for expensive, high-rising apartment houses that only rich people can afford to live in. He stated that people who have been living in Yorkville for many years have been forced to move out in order to make way for these new buildings. There were approximately 400 spectators at this meeting, many of whom cheered the NRP speaker and chanted "White Power". The meeting ended when about 40 individuals attacked the NRP position. According to MADOLE this attack was made by "40 Jews". Although some of the attackers were arrested by the police, none of the NRP members were placed under arrest.

NY 105-6112

On August 30, 1966, [redacted] Bureau of Special Services, NYCPD, advised SA JAMES D. BRODY, that the NRP held a street meeting from 7:30 p.m. to 9:30 p.m. on August 26, 1966, at 85th Street and First Avenue, New York, New York. There was a maximum of 200 people in attendance, most of whom were hecklers. There were seven members of the NRP present, six of whom were dressed in the Nazi - type uniforms of the SE. According to [redacted] JAMES MADOLE, National Director of the NRP and ROBERT BURROS, Regional Director of the NRP delivered speeches which were anti-Negro, anti-Semitic, and anti-JOHN LINDSAY, Mayor of New York City. These speakers alleged that white Christians are being deprived of their rights because the government has adopted a program which favors the organized Jews and Negroes. [redacted] [redacted] further advised there were no disorders or arrests made in connection with the above mentioned street meeting.

NY T-1 reported substantially the same information as the information set forth above concerning the August 26, 1966, street meeting. In addition NY T-1 advised that there were 13 NRP members in attendance at this meeting.

September 13, 1966

On September 1, 1966, seven NRP members distributed literature at 86th Street and Third Avenue, New York, New York, between the hours of 6:30 p.m. and 8:30 p.m. This literature announced an NRP street meeting to be held September 2, 1966.

September 13, 1966

On September 2, 1966, the NRP held a street meeting at 85th Street and First Avenue, New York, New York, between the hours of 7:45 p.m. and 9:40 p.m. There were approximately 18 individuals representing the NRP and approximately 350 spectators in attendance. On orders from JAMES MADOLE the NRP representatives at this street meeting were not dressed in their storm trooper uniforms in order to conform with the then recently passed legislation in New York State which

NY 105 6112

prohibited the wearing of storm trooper - type uniforms in public. During his speech JAMES MADOLE commented on this legislation stating that it had been passed for the benefit of minority groups and that the NRP will have an attorney go to court to contest this law. ROBERT BURROS, Regional Director of the NRP, spoke about the Federal Reserve Act, alleging it was only instituted as a temporary measure. He stated it is time to abolish the Federal Reserve Act because Jews are gaining too many benefits from it. According to the source a great portion of the speeches were inaudible due to the presence of hecklers in the audience. In addition, there was a group of approximately ten individuals from the Jewish War Veterans who attempted to drown out the speakers by singing "God Bless America" and the "Star Spangled Banner". With the exception of a few tomatoes which were thrown at NRP representatives, there were no disorders and no arrests were made.

September 6, 1966

On September 9, 1966, the NRP held a street meeting at 85th Street and First Avenue, New York, New York, from 7:30 p.m. to 9:30 p.m. There were approximately 16 individuals representing the NRP and between 700 and 800 spectators. On this occasion the NRP representatives were not dressed in their storm trooper - type uniforms on orders from JAMES MADOLE. JAMES MADOLE spoke about the assassination of HENDRICK VERWOERD, Prime Minister of South Africa, on September 6, 1966. He stated that VERWOERD was the legal ruler of South Africa, was popular and was doing a good job with the problem of segregation. Despite this, he was assassinated. MADOLE stated that black Africans are streaming into South Africa to live because conditions are so good. MADOLE stated that this migration of blacks to South Africa is proof that a policy of white supremacy is not only workable but desirable. ROBERT BURROS, in his speech, stated that the civil rights marches and riots in the Mid-West are actually instigated by Communists. He urged those present to carry "White Power" signs in order to counteract the "Black Power" forces. He urged those in attendance to stand up for their rights and refuse to take any nonsense from black supremacists.

NY 105-6112

A few tomatoes and eggs were thrown at NRP representatives, however, there were no disorders and no arrests were made.

NY T-1

September 12, 1966

On September 16, 1966, the NRP held a street meeting at 85th Street and First Avenue, New York, New York, from approximately 7:30 p.m. to 9:30 p.m. During the meeting there were 12 representatives of the NRP and approximately 250 spectators in attendance. JAMES MADOLE, in his speech, denounced the establishment in New York City of a Civilian Review Board in connection with the New York City Police Department. He urged those in attendance to vote against a Civilian Review Board when voting in a forthcoming referendum. MADOLE in speaking about "White Power" stated the Negroes have taken over and eliminated law and order. MADOLE stated there should be "White Power" for white neighborhoods and "White Power" for black neighborhoods. No arrests or disorders occurred at this street meeting.

NY T-1

September 19, 1966

At the September 22, 1966, NRP meeting JAMES MADOLE announced the NRP could not hold a street meeting scheduled to be held on September 23, 1966. This meeting would have to be cancelled because at the last street meeting of the NRP held on September 16, 1966, he, MADOLE, had been served with a summons because he had been soliciting contributions by means of literature. MADOLE commented that the American Civil Liberties Union has taken the case and will represent MADOLE. In view of the summons, the police department had refused to grant MADOLE a permit for the street meeting scheduled to be held September 23, 1966.

NY T-1

September 30, 1966

On October 27, 1966, MADOLE advised that his trial on a charge of soliciting contributions by literature had been held on October 19, 1966. At this trial he had been found guilty and fined \$500. MADOLE stated that he is appealing this decision with the help of the American Civil Liberties Union.

October 27, 1966

NY 105-6112

[redacted] Bureau of Special Services, NYCPD, advised SA JAMES D. BRODY on November 2, 1966, that on October 28, 1966, the NRP held a street meeting from 7:30 p.m. to 9:30 p.m. between 84th and 85th Streets on York Avenue, New York, New York. [redacted] advised there was a peak attendance of approximately 400 people. A majority of the audience was anti-NRP and heckled JAMES MADOLE, who was the only speaker. In addition to MADOLE there were six other members of the NRP in attendance. In his speech, JAMES MADOLE delivered his usual anti-Jewish diatribe and called for abolition of the Civilian Review Board in New York City. [redacted] advised there were no arrests and no disorders at the above meeting. b6 b7C

In connection with the above mentioned October 28, 1966, NRP street meeting, NY T-2 advised that during the meeting a group of Jewish War Veterans attempted to drown out the NRP speaker by blowing whistles and shouting slogans. According to the NRP speaker, JAMES MADOLE, the NRP hates all minority groups, especially Jews and Negroes. This speaker indicated he has dedicated his life to the destruction of minority groups and is dedicated to the establishment of a "white" America. MADOLE further stated that the Jewish War Veterans have never disrupted a Communist meeting or peace rally. On this basis, he drew the conclusion that most Jews are Communists and should be eliminated.

NY T-2

October 31, 1966

On November 4, 1966, the NRP held a street meeting at York Avenue and 85th Street, New York, New York, from approximately 7:30 p.m. to 9:30 p.m. with 11 individuals representing the NRP in attendance. JAMES MADOLE was the featured speaker and his speech was devoted to a condemnation of the Police Civilian Review Board in New York City. He urged those in attendance to vote against a Civilian Review Board in the forthcoming November 8, 1966, election. According to this source, there was a great deal of heckling from the audience during this speech. However, there were no incidents or arrests at this meeting.

November 8, 1966

NY 105-6112

On November 19, 1966, five NRP members distributed literature in the Yorkville Section of Manhattan, which literature announced an NRP meeting to be held December 2, 1966, at Steinway Hall in New York City.

NY T-1

November 21, 1966

In connection with the above mentioned Steinway Hall meeting, JAMES MADOLE at the December 1, 1966, NRP meeting announced there would be no meeting as planned at Steinway Hall on December 2, 1966. MADOLE explained he had received a registered letter from the owner of the hall stating that his life had been threatened if the meeting takes place. MADOLE stated although the indoor meeting was cancelled, he would be outside Steinway Hall on December 2, 1966, in order to inform the people as to why the meeting would not take place and also in order to recruit new members for the NRP.

NY T-1

December 21, 1966

Due to anonymous threats against the life of the owner of Steinway Hall, the NRP meeting scheduled for that location on December 2, 1966, was cancelled. However, on December 2, 1966, about eight NRP members were located in front of Steinway Hall and were handing out leaflets which invited enlistment in the SE of the NRP. These members were successful in signing up a few additional persons for membership in the SE.

December 21, 1966

On December 5, 1966, approximately seven NRP members conducted a picketing on an Israel bond drive held in connection with a Chanukah Festival for Israel, which at that time was taking place in Madison Square Garden in New York City. These NRP members carried an American flag, the NRP flag and five picket signs were carried containing the following slogans: "Join the NRP", "Karl Marx was a Jew", "Jews Out", "Goldberg is a Jew", "Buy US Bonds, Not Jew Bonds". Although there

NY 105-6112

were a couple of minor scuffles and heated words with individuals en route to attend the festival, there were no arrests made.

IV. FINANCES

MEMBER OF SUBJECT ORGANIZATION

In addition to the funds supplied by such individuals as FREDERICK WEISS, an NRP member from Middletown, New York, other individuals from time to time furnish the NRP with financial contributions. In addition, there are small contributions from time to time by NRP members at the meeting. MADOLE derives some money from the sale of books which are written by other individuals and recommended for reading by MADOLE. Some profit is derived from bulk orders of reprints of pamphlets and leaflets distributed by the NRP.

V. PUBLICATIONS AND LITERATURE

Beginning in January, 1965, the New York Office of the Federal Bureau of Investigation (FBI) had been in receipt of a large volume of mail which came direct from individuals as well as by referral from the United States Post Office. In all instances, these letters forwarded literature which had been received unsolicited and which, in most but not all cases, contained the return address of JAMES MADOLE, 10 West 90th Street, New York, New York.

The individuals forwarding the above literature expressed indignation and requested that the mailing of such literature be stopped by the post office. The individuals who registered a complaint with the post office were advised that it was regretted the mails are used from time to time for the dissemination of matter critical of religions, races, and political views, however, there was no violation involved under current postal laws, particularly when sent under cover of envelopes with nothing derogatory appearing on the outside thereof.

NY 105-6112

The above letters were all postmarked in New York City, and were mailed to various sections of the country to college students, educators, business executives and politicians. The literature enclosed in these letters is described below:

1. A seven page pamphlet captioned "Who is the Real Enemy?", which is self-identified as a publication of the NRP. According to this pamphlet, the Jews strive for complete control of the press, radio, motion picture and television industries so that they can bring about complete enslavement of the white race. The pamphlet states that if "white gentiles are to save themselves from being herded to the slaughter like docile sheep, the time is long overdue to organize against our real enemy." The pamphlet goes on to state that if we do not recognize the Jew as our enemy "our race of people will disappear from the earth."

2. A one page leaflet captioned "Youth Movements," which is self-identified as a publication of the NRP. This leaflet states that all youth movements calling for the mixing of Negro and white children which are established by Jewish, Christian, political and labor organizations, are for the purpose of destroying "the civilized world for Communism by mating your white innocent with the loathsome Negro."

3. A two-page leaflet captioned, "Christian Preachers and Communist Agents Oppose the Repeal of the Rumford Act," which is self-described as a publication of the NRP. This leaflet deals with the Rumford Act, which outlaws discrimination in the sale or rental of houses and apartments in the State of California. This leaflet states that to claim that racial differences are not at issue in this repeal contest is a transparent pretense. The Rumford Act makes block busting easy for undesirable types and once they gain entrance, property values sharply decline. This leaflet further states that it is social madness to let loose among civilized people a rapid-breeding people mentally qualified for jungle life. Indiscrimination inevitably defaces the better human types.

NY 105-6112

4. One page leaflet captioned, "Integration," which is self-identified as a publication of the National States Rights Party (NSRP). This leaflet contains pictures of a Mr. and Mrs. MACINTOSH and their child as an example of racial intermarriage which produced a mongrel child. This leaflet states that "Integration, degeneration, mongrelization, call it what you will, is the deliberately forced social association of white people and racially inferior Negroes the purpose of which is racial intermarriage and the production of a race of simple minded, docile mulattoes^{who} will be obedient to their Jewish matters.

The NSRP is characterized in the appendix.

5. A one page leaflet which is captioned, "Communist Party behind Race Mixing," which is self-identified as a publication of the Christian Youth Corps. This leaflet bears the slogan "Communism is Jewish." This leaflet states that only the Christian young men of this nation can save it from the Jew - Communist conspiracy. Prepare yourselves for this battle for CHRIST, when the CHRIST hating Jews unleash their Red Communist hordes upon us.

A one page leaflet which is captioned, "Is Christ's 'Love Thy Neighbor' Only for Christians to Practice?", which is self-identified as a publication of the National Renaissance Party. This leaflet makes reference to the large numbers of rabbis who participate in and perhaps lead the present unholy war against the South. This leaflet states, "May we suggest that the rabbis save a few of their crocodile tears and shed them for the million plus Arabs who were thrown out of their homes and driven from their nation by the invading hordes of Israel. If by the time the rabbis read this letter they have any tears left, we trust that they will shed them for the victims of the Der Yassin Massacre who failed to flee from their homes in time or who refused to leave them at all...."

This leaflet also contained the following statement:

NY 105-6112

"You hear about the NEGRO COMMUNITY, a racist organization supported and defended by fanatic Negro church leaders; you hear of JEWISH COMMUNITY, also a racist group and most fanatically defended by odious Jew Rabbis.....But where the hell is the ANGLO-SAXON & GENTILE COMMUNITY! the White racial Americans...did our mealy-mouth, snivelling, servile, gutless brainwashed church leaders--the Cardinals and the Bishops abandon our race--have these Jewrized, sickening, cringing spiritual leaders castrate the White people and rendered them helpless for the Jew-Communist take-over.... And what happened to our patriotic groups...the AMERICAN LEGION, DAR, YAF & V.F.W.--why arn't they out in the streets counter marching and picketing IN DEFENSE OF THE WHITE CHRISTIAN RACE!"

NATIONAL RENAISSANCE PARTY (NRP)

On July 28, 1966, a source advised that the National Renaissance Party (NRP) was founded in 1949, by JAMES H. MADOLE, who continues to serve as its National Director and is in complete control of the NRP.

The source further stated that the NRP has its headquarters in the residence of JAMES H. MADOLE at 10 West 90th Street, New York, New York. Weekly meetings are held at this location on Thursday evenings.

The source described the NRP as an anti-Negro, anti-Semitic and neo-Fascist organization.

This source stated on July 28, 1966, that JAMES H. MADOLE, as of October, 1965, distributed a printed "program of the NRP", which program had as its announced purpose the establishment of a "Racial Nationalist State". According to the program, this would be accomplished by calling a Constitutional Convention to ratify the necessary amendments to the United States Constitution in order to carry out the NRP program for the establishment of a "Racial Nationalist State".

This source further advised that as of July 28, 1966, this "program of the NRP" remains in effect and that the anti-Negro and anti-Semitic nature of the NRP is exemplified by the following excerpts from this program:

1. Enact and rigidly enforce legislation to restrict the benefits of American citizenship to mentally and genetically sound members of the Caucasian race.
2. Enact legislation to prohibit intermarriage between white and non-whites.

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

MADOLE stated the NRP will wear their Nazi-type uniforms while in Alexandria.

MADOLE further advised that one FERRIE or FERRIS (ph), described by MADOLE as the leader of the "Minutemen" in Virginia, will be at the "White Party" meeting on 3/19/67. MADOLE stated that FERRIE or FERRIS indicated he wants to meet with the representatives of all groups attending the 3/19/67, meeting. MADOLE did not indicate the purpose of this meeting with FERRIE or FERRIS, but indicated it was scheduled to take place prior to the "White Party" meeting on 3/19/67.

In addition, MADOLE told [redacted] that in the summer of 1967, there are street demonstrations planned for Alexandria, Baltimore and Washington, D.C. [redacted] assumes these demonstrations will be sponsored by the "White Party" however, MADOLE did not specifically state this. MADOLE indicated a desire to participate in these demonstrations because it would give the NRP an opportunity to wear their uniforms and display their banners. b7D

The above information is not being set forth in an LHM for dissemination inasmuch as it was given only to [redacted] by MADOLE. In addition, the identity of the "White Party" and FERRIE or FERRIS is unknown to the NYO. b7D

A source of information in New York City, who has furnished reliable information in the past, advised on March 8, 1967, that there are supposed to be giant rallies in Washington, D.C.; Baltimore, Maryland and Alexandria, Virginia, this summer by the United White Party.

On March 20, 1967, a source of information in Alexandria, Virginia, who is associated with the White Party of America, advised that there are no plans by the White Party of America to participate in any rallies in the immediate future. He advised that he has never heard of the United White Party but that if he should learn of that organization or of any proposed giant rallies, he would immediately contact the Federal Bureau of Investigation. This same source advised that a group of about ten men from the National Renaissance Party of New York City visited the meeting of The White Party of America on Sunday, March 19, 1967, and their leader, James Madole, of New York City, gave the principal speech which consisted of words of hatred against the Jewish, the Negroes and the Communists in the United States.

There were no other racist organizations known to be represented at the March 19th meeting.

Attached are characterizations of the White Party of America and National Renaissance Party.

NATIONAL RENAISSANCE PARTY

On May 9, 1962, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro and neo-Fascist organization, with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of James H. Madole at 10 West 90th Street, New York City.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report, dated December 17, 1954, stated, "National Renaissance Party activities and propaganda are clearly subversive and un-American."

WHITE PARTY OF AMERICA

On September 16, 1965, Karl Rogers Allen, Jr., who identified himself as the leader of the White Party of America (WPA), advised that he, along with several other former members of the American Nazi Party (ANP), formed the WPA during the early part of 1964 in order to advance the cause of the white man in the United States and eventually throughout the world.

This organization was officially launched on April 11, 1964, when it sponsored picketing in Washington, D. C., Richmond, Virginia, and Baltimore, Maryland, in opposition to civil rights legislation and civil rights demonstrations. Its national headquarters was transferred from 1216 New York Avenue, N. W., Washington, D. C., to 1019 King Street, Alexandria, Virginia, on April 1, 1965.

It was initially the aim of the WPA to sponsor picketings and demonstrations where it was believed such would be of value and to publicize its program through pamphlets and similar media. The WPA has been inactive due to a lack of funds and its only publications to date have been the April and May, 1964, issues of its official publications, "The White Letter."

He added that the WPA is still in the formative stage but it will uphold the Constitution of the United States and will always act within the limits of the law. He noted that the WPA will serve as a "home for people who want to preserve the white race" and cannot find a home for themselves in either of the major political parties in the United States.

During these discussions JAMES MADOLE, National Director of the NRP, asked Karl Allen if he wanted the WPA to combine with the NRP at future rallies planned by the NRP in the Ridgewood Section of Queens, New York and the Yorkville Section of Manhattan, New York. Allen replied he thought this was a good idea and that this summer and spring he would like to bring some WPA members to New York City in order to speak at some of these rallies.

Allen advised the NRP representatives that the WPA is doing quite well and already has one office in Washington, D.C., two offices in Maryland and one office in Virginia. According to Allen, all of these offices are productive in bringing in new members. Although there are not enough members to warrant opening a WPA office in the New York City area, consideration was being given to opening such an office in the future.

During the above discussions Madole informed Allen that the NRP will hold a meeting in Boston, Massachusetts this summer which meeting is to be held at the invitation of an undesignated right wing group in that city. Madole further advised that he is going to speak in Bridgeport, Connecticut during the Summer of 1967. Madole invited Allen to participate in the Boston and Bridgeport meetings, and Allen replied that he most likely would participate.

On March 21, 1967, RH T-2, who has furnished reliable information in the past, advised that in addition to 7 NRP representatives, there were 18 other individuals in attendance at the WPA meeting which began at about 2:30 pm on March 19, 1967 at the WPA Headquarters in Alexandria, Virginia. Six of these 18 individuals were the following members of the WPA:

RH T-2 further advised that the meeting of the WPA was opened by Karl Allen who announced that the guest speaker for the meeting was James Madole, leader of the NRP.

Madole then took the speaker's stand and delivered a speech about the Negro and Jewish problems in this country. He explained to those in attendance that his NRP program will take care of this problem if he can get it into affective operation in the future.

Madole charged that the Christians of America are being exploited by the Jews. He further charged that the Negroes of America have all the power they have at this time because of the Jews, who control them. According to Madole, the Wall Street Jews do not want the war in Vietnam to end because if it does end they will lose many billions of dollars. He further stated that the Jews who control the pharmaceutical industry raise the prices of drugs which are used in Vietnam so that they can make even larger profits. According to Madole, President Lyndon Johnson does not want the war to end either because he feels he must keep the Jews happy.

Madole stated that the Gentiles also make up the entire American Armed Forces in Vietnam because all of the Jews of draftable age have college deferments. He noted that even the Young Conservative Americans for Freedom is filled with Jews.

Madole stated to those in attendance that Jews

are trying to take over this country with the Negroes as lackeys under Jew control. The Jews in 1913 started this take over of the government with the institution of the Federal Reserve Act as a result of which Jews had even greater control of the country's money even though control of this money should rest with Congress.

Madole then stated that the white people of America should be blamed for the takeover of this country. The country is being destroyed right under the nose of the white Christians and although the white people made America great, the white people are permitting the Jews to take everything away from them.

At the conclusion of this speech which lasted approximately 1 1/2 hours, there was a question period. An unidentified individual in attendance asked the question "what do you think of the Kennedy assassination? Madole answered this question by stating that the only person who had anything to gain from the assassination was President Johnson. In this connection, Madole pointed out that on the day of the assassination in Dallas, President Johnson did some peculiar things. As an example of peculiar actions on the part of President Johnson, Madole posed the question "why was the President not riding in the car with Kennedy as he was supposed to do?" During his discussion of President Johnson, Madole further stated that the President thinks its alright to accept things for himself, such as radio stations, even though it is unethical for him to do so. He further stated that President Johnson wants freedom for everyone in the Young Men's Christian Association men's room.

RH T-2 advised that following his speech, Madole received a standing ovation. Following this, Karl Allen announced that he, Allen, was going to run for Mayor

7 of Alexandria, Virginia. He also announced that a Wallace For President Committee will be opened on Tuesday, March 21, 1967, at the WPA Headquarters in Alexandria, Virginia and asked for volunteers to assist in this work. Allen stated that although George Wallace, former governor of Georgia, had not yet announced his candidacy, he would probably do so if given enough support.

NATIONAL RENAISSANCE PARTY (NRP)

On July 28, 1966, a source advised that the National Renaissance Party (NRP) was founded in 1949, by JAMES H. MADOLE, who continues to serve as its National Director and is in complete control of the NRP.

The source further stated that the NRP has its headquarters in the residence of JAMES H. MADOLE at 10 West 90th Street, New York, New York. Weekly meetings are held at this location on Thursday evenings.

The source described the NRP as an anti-Negro, anti-Semitic and neo-Fascist organization.

This source stated on July 28, 1966, that JAMES H. MADOLE, as of October, 1965, distributed a printed "program of the NRP", which program had as its announced purpose the establishment of a "Racial Nationalist State". According to the program, this would be accomplished by calling a Constitutional Convention to ratify the necessary amendments to the United States Constitution in order to carry out the NRP program for the establishment of a "Racial Nationalist State".

This source further advised that as of July 28, 1966, this "program of the NRP" remains in effect and that the anti-Negro and anti-Semitic nature of the NRP is exemplified by the following excerpts from this program:

1. Enact and rigidly enforce legislation to restrict the benefits of American citizenship to mentally and genetically sound members of the Caucasian race.
2. Enact legislation to prohibit intermarriage between white and non-whites.

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY
Also Known As The American Nazi Party,
American Nazis, The World Union of
Free Enterprise National Socialists,
The George Lincoln Rockwell Party

In his book, "This Time The World", copyrighted in 1961, GEORGE LINCOLN ROCKWELL identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leader", a Richmond, Virginia daily newspaper, reported that GEORGE LINCOLN ROCKWELL had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that ROCKWELL's Party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 14, 1964, a source, who has furnished reliable information in the past, advised that ANP-WUFENS was organized by GEORGE LINCOLN ROCKWELL at his residence in Arlington, Virginia, on February 26, 1956, as an international "National Socialist" movement based on the German-Nazi Party headed by ADOLF HITLER. He added that ROCKWELL is the dominant force and personality in this Party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

According to the "Stormtrooper's Manual", an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses"; second, "the dissemination of our program and truth about the Party"; third, "organizing the people who have been converted to our propaganda"; and fourth, "the attainment of power through the votes of the newly-won masses."

NATIONAL SOCIALIST WHITE
PEOPLE'S PARTY (CONTINUED)

On August 19, 1966, the source advised that GEORGE LINCOLN ROCKWELL presently believes that he has completed the first two phases in his struggle for power and is well into the third stage, to wit, "the organizing of the people who have been converted to our propaganda". The source added that ROCKWELL had previously believed that he would be elected Governor of Virginia in November, 1965, and when defeated, he made the statement that he was not ready for stage four.

On December 27, 1966, the source advised that ROCKWELL mailed a communication to all members of the ANP entitled, "National Directive from the Commander, Effective 1/1/67". This communication reflected that the formal name of the Party would be "National Socialist White People's Party" and they would still be known as the "American Nazi Party" and "American Nazis" for short.

WHITE PARTY OF AMERICA

On September 16, 1965, KARL ROGERS ALLEN, Jr., who identified himself as the leader of the White Party of America (WPA), advised that he, along with several other former members of the American Nazi Party (ANP), formed the WPA during the early part of 1964, in order to advance the cause of the white man in the United States and eventually throughout the world.

This organization was officially launched on April 11, 1964, when it sponsored picketing in Washington, D.C., Richmond, Virginia, and Baltimore, Maryland, in opposition to civil rights legislation and civil rights demonstrations. Its national headquarters was transferred from 1216 New York Avenue, N.W., Washington, D.C., to 1019 King Street, Alexandria, Virginia, on April 1, 1965.

It was initially the aim of the WPA to sponsor picketings and demonstrations where it was believed such would be of value and to publicize its program through pamphlets and similar media. The WPA has been inactive due to a lack of funds and its only publications to date have been the April and May, 1964, issues of its official publications, "The White Letter."

He added that the WPA is still in the formative stage but it will uphold the Constitution of the United States and will always act within the limits of the law. He noted that the WPA will serve as a "home for people who want to preserve the white race" and cannot find a home for themselves in either of the major political parties in the United States.

The American Nazi Party is characterized separately.

A review of Section 122, Racial Matters in the Manual of Instructions pertains to investigations of Klan (and hate-type) organizations and associated individuals. Under the above section, Paragraph 3a, it states the investigation is confined to those organizations or associated individuals that:

- (1) Have been designated pursuant to Executive Order 10450 (or)
- (2) Have not been designated under Executive Order 10450, but have an actual or alleged affiliation or subsidiary relation with a designated organization (or)
- (3) Have adopted a policy or have allegedly adopted a policy of advocating, condoning, or inciting the use of force or violence to deny others their rights under the Constitution (or)
- (4) Have actually or allegedly committed acts of violence to deny others their rights under the Constitution (or)
- (5) Have actually or allegedly committed violations of laws within the Bureau's jurisdiction.

In view of the foregoing information, a review of the objections and activities of this organization set forth in referenced NY report, it is believed that this organization does not come within the hate-type organization specified in the requirements above. In addition, it is noted the NRP only had 23 members and is only located in NYC, as of reNYrep and that their activities do not include violence, but do consist of distributing literature and demonstrating and picketing in an orderly fashion. This organization does not appear to be violating any laws and does not any longer wear uniforms in view of Section 1484A of the Penal Law of the State of NY prohibiting wearing of any such military type uniform. *[Handwritten signature]*

This organization has not committed acts of violence to deny others their rights under the Constitution, but the organization desires to establish a "Racial Nationalist State", which would be accomplished by calling a constitutional convention and enacting legislation to carry out its program.

It is felt that this organization should continue to be investigated, however, it is believed the organization does not warrant ninety day reports, as set forth in the Manual of Instructions because it does not conform to the foregoing items specified.

In the future and because of the very few members in this organization (only 23), plus the fact that the organization is only located in NYC, reports on this organization will be submitted every six months, the next report being due August 15, 1967, UACB.

Re: National Renaissance Party

A source of information, who has furnished reliable information in the past, advised on July 3, 1967, that the National Renaissance Party (NRP) scheduled a protest rally to be held at 1:00 p.m. on July 4, 1967, at 192nd Street and Grand Concourse, Bronx, New York. According to this source, the participants were expected to burn a couple of Viet Cong flags and to generally protest the activities of other demonstrators who have been opposed to the United States policy in Vietnam. This source could furnish no additional information.

Attached hereto is a characterization
of the NRP.

[redacted] 46th Precinct of the New York City Police Department (NYCPD), 2120 Ryer Avenue, Bronx, New York, advised on July 5, 1967, that the above mentioned rally took place at 192nd Street and Grand Concourse, Bronx, New York, that there were only six persons who appeared, and that they marched around with the American flag properly displayed. [redacted] stated the rally was in protest of other demonstrations which are opposed to the United States policy in Vietnam. He stated the NRP was in favor of the United States policy in Vietnam, and added that the picketing was orderly, that no other groups were in the area, and that no rioting, arrests, or incidents took place.

NATIONAL RENAISSANCE PARTY (NRP)

On July 28, 1966, a source advised that the National Renaissance Party (NRP) was founded in 1949, by JAMES H. MADOLE, who continues to serve as its National Director and is in complete control of the NRP.

The source further stated that the NRP has its headquarters in the residence of JAMES H. MADOLE at 10 West 90th Street, New York, New York. Weekly meetings are held at this location on Thursday evenings.

The source described the NRP as an anti-Negro, anti-Semitic and neo-Fascist organization.

This source stated on July 28, 1966, that JAMES H. MADOLE, as of October, 1965, distributed a printed "program of the NRP", which program had as its announced purpose the establishment of a "Racial Nationalist State". According to the program, this would be accomplished by calling a Constitutional Convention to ratify the necessary amendments to the United States Constitution in order to carry out the NRP program for the establishment of a "Racial Nationalist State".

"The Evening News", a local newspaper of Newburgh, NY, in its issue of 6/16/67, on page 1-A contained an article entitled "Appeals Court Grants Use of Courthouse to NRP", which related that the New York State Court of Appeals granted the National Renaissance Party (NRP) permission to use the Newburgh, NY Courthouse. A decision on an appeal to the US Supreme Court was made inasmuch as the permission to use the courthouse was resting with the Orange County Board of Supervisors. County Attorney THOMAS A. HADAWAY stated he would discuss the decision with the Board's Building Committee so the committee could recommend a course of action on which the full board would act. JAMES MADOLE, National Director of the NRP in NYC, stated he would await word on the county's decision on appeal before applying for use of the courthouse. The appeal would hold everything in abeyance until a decision was reached.

The "Times Herald Record", a local newspaper of Middletown, NY, in its issue dated 7/6/67, on page 5, contained an article entitled "Orange Committee Ignores Appeal Avenue in NRP Case", which related that Orange County would

not try to halt a scheduled NRP rally at the Newburgh, NY Courthouse. The article related that the board of supervisors' influential buildings and insurance committee decided to submit to a court order directing the county to let the NRP use the courthouse and County Attorney THOMAS R. HADAWAY declined to recommend that the board take its only remaining out, an appeal of a State Court of Appeals decision on which the court order was based. The article related that after a two year battle, and in three courts, the NRP finally won its case.

"The Evening News", in an article entitled "Police Plan Readied to NRP Rally" in its 7/14/67 edition on page 2, indicated the NRP planned to hold a rally at the Orange County Courthouse, Newburgh, NY, on 7/29/67, and that the Newburgh Chapter of the National Association for the Advancement of Colored People (NAACP) planned to demonstrate because the NRP is anti-Negro and anti-Jewish. The article continued that Newburgh City Manager PAUL L. MC CAULEY, stated preliminary plans for police disposition at the rally have been completed and that city and state police as well as deputies from the Orange County Sheriffs Office would be on hand to maintain order.

The "Times Herald Record" in its edition of 7/12/67, on page 8, contained an article "Newburgh NAACP maps protest of July 29 rally by neo-Nazi NRP." This article relates that the acting president of the Newburgh chapter of the NAACP, TYRONE CRABB, said the protest has the endorsement of the National NAACP, and that the local chapter will be bolstered by members from other areas. CRABB promised that "the National (NAACP) organization is ready to come into Newburgh at the drop of a hat." The NAACP local chapter also claimed discrimination against Negroes employed at the US Military Academy at West Point; and strengthened its stand against Broadway merchants in Newburgh, NY, who do not hire non-white personnel. The NAACP took issue with the city's Human Relations Committee.

A member of the NAACP and the City Human Relations Commission, suggested that the NAACP place rebuttal speakers on the platform with the NRP.

NY 105-6112

In addition, CRABB accused West Point of discriminating practices in hiring civilian personnel and the assignment of military staff and charged that the West Point Band "show-piece of the country" contained no Negro members. He stated West Point could not claim there were no qualified Negro applicants because music is one of the Negro's attributes.

The group pledged to put pressure on "the uptown stores" to hire Negroes and CRABB said that "Outside of a few.....the stores are all lily white." He stated he wanted action and if it means throwing up picket lines and tying up banks, he wanted to see it.

[redacted] advised SA JAMES BRODY on 7/19/67, that the NRP planned a demonstration at the Orange County Courthouse, Newburgh, NY, from 7:30 p.m. to 10:30 p.m. on 7/19/67.

SA [redacted] locally advised the following individuals at the agencies indicated, of the foregoing information on this date: [redacted] at Secret Service; Agent [redacted] at 108th MIG; [redacted] at OSI; [redacted] at NIS; and [redacted] of the United States Attorney's Office, SDNY.

SA [redacted] Resident Agent at Suffern, NY, as of 7/13/67, was maintaining liaison with the NY State Police and the police department at Newburgh, NY, for any developments.

Since the NAACP plans to demonstrate to the point of tying up banks, and inasmuch as the NRP plans its rally starting at 7:30 p.m., it appears the NAACP is using the NRP rally as an excuse to bring people to Newburgh, as the banks are not open at 7:30 p.m.

In the event the foregoing NRP rally takes place, the NYO will submit an LHM, under this caption, however, in the event no activity takes place, which has been the case of previous scheduled NRP functions which are later cancelled, no LHM will be submitted under this caption. The Bureau will be advised by separate communication of the results.

B. Objectives

The objectives of the NRP continue to be the same as those set forth in the "Program of the NRP" as printed and distributed in October, 1965. This program has as its announced purpose the establishment of a "Racial Nationalist State". According to the program, this would be accomplished by calling a constitutional convention to ratify the necessary amendments to the United States Constitution in order to carry out the NRP program, which program calls for the establishment of a strong, centralized "Racial Nationalist State" on the North American Continent.

This "Program of the NRP" contains the objectives of the NRP in connection with various aspects of Government, such as a racial program, economic program, foreign policy program, social program, and Governmental program.

The anti-Negro and anti-Jewish nature of the NRP are exemplified by the following portions of the racial program, as set forth in the "Program of the NRP;":

1. Enact and rigidly enforce legislation to restrict the benefits of American citizenship to mentally and genetically sound members of the Caucasian race.
2. Enact legislation to prohibit intermarriage between whites and non-whites.
3. The Jewish race, which constitutes the motivating financial and intellectual backbone of the left-wing revolutionary activity in the United States, as manifested in the so-called "negro civil rights movement," shall be deprived by suitable legislation of their American citizenship and shall henceforth be prohibited from holding any professional, political, or educational posts within the Racial Nationalist State. The Jew constitutes an alien virus in our national bloodstream and, as such, he must be purged from our cultural, economic, and political life.

NY 105-6112

4. Enact legislation to hasten the repatriation of American Negroes to the newly independent black nations on the African Continent under the auspices and guidance of black nationalist leadership in the United States.

5. The establishment of a selective immigration policy whose primary purpose is to attract the best European racial stock to the North American Continent in order to utilize their vast energy and talent in the task of creating a dynamic, expanding White Empire capable of withstanding the encroachments of the primitive, colored world lead by the Oriental colossus, Red China.

D. Security Echelon (SE)

The SE is selected from the membership of the NRP. The purpose of the SE is supposedly to protect the leaders of the NRP when they are speaking at public rallies. The SE also joins in NRP picket lines. The SE uniform consists of black shoes or boots, black socks, gray pants, gray shirts, black tie with NRP emblem on a tie pin, gray cap with NRP emblem, black Sam Brown Belt, arm band with NRP insignia, and shoulder epilets with various devices to indicate rank. There is also a women's division in which the dress is the same, except that a gray shirt and stockings are worn in place of the pants and socks. Although these uniforms continue to be the official uniforms of the SE, since approximately July 1, 1966, they have not been worn in public in conformity with Section 1484-A of the New York State Penal Law.

NY 105-6112

NY T-1
July 11, 1967

Section 1484-A of the Penal Law of the State of New York, as mentioned above, prohibits any person appearing in any public place or in the public view attired in any uniform similar to that worn by the military, semi-military, naval, police, storm trooper or other official or semi-official forces of any foreign state, nation or government, or attired in any distinctive part or parts of such a uniform...

As of early July, 1967, the SE for weeks had been utilizing the residence of NRP Director, JAMES MADOLE, 10 West 90th Street, New York, New York, as a headquarters for the SE. Occasionally on Saturday evening there are gatherings at the MADOLE apartment consisting of NRP members as well as invited guests and individuals from the neighborhood. These gatherings are not SE meetings, rather they are social affairs at which no SE business is discussed. On infrequent occasions, formal meetings of the SE are held, however, these meetings are held at the same address, 10 West 90th Street, New York, New York.

E. Membership

As of July 11, 1967, there were 22 individuals known to be members of the NRP. These members are the individuals who regularly attend NRP meetings and participate in street meetings, demonstrations, picketing, and literature distribution. From time to time, JAMES MADOLE makes exaggerated statements regarding NRP membership; he has indicated over 1,500 members. This figure does not reflect actual membership but is stated by including all former members, and those who have corresponded with and are on the mailing list of the NRP.

II. LOCAL CHAPTERS

As of July 11, 1967, there were no local chapters of the NRP in existence. The parent organization is the only active unit of the NRP and no effort is being made to establish any local chapters at this time.

C. Public Gatherings, Demonstrations
and Literature Distributions

"The Times Herald Record" a newspaper of Middletown, New York, in its issue dated December 23, 1966, on page 10, columns 1 and 2, contained an article entitled "Civil Liberties Union bows out of Nazi case". The article stated that the Newburgh, New York, city attorney denied the NRP the right to use sound equipment at a rally during the summer of 1966, and as a result the NRP rally was called off. The city attorney claimed only authorized political parties are allowed to use sound equipment and that the NRP was not a political party. The article continued that the New York Civil Liberties Union (NYCLU) which already represents the "Neo-Nazi NRP" in a legal dispute with the Orange County,

NY 105-6112

New York, Board of Supervisors, on the right to use the Newburgh Courthouse for a public meeting, declined to take up the NRP's battle with the city of Newburgh, New York, over the right to meet publicly because the NYCLU claimed it did not have the manpower.

On January 11, 1967, a few NRP members set up a picket line in front of the American Jewish Congress (AJC) on East 84th Street between 5th Avenue and Madison Avenue, New York City, because the AJC was holding a meeting with the German Consul concerning the rise of Neo-Naziism in West Germany. The pickets were holding signs such as "Communism is Jewish", and "Fight Communism, Join the NRP". The demonstration lasted from about 7:15 p.m., to 8:30 p.m., with no incidents taking place.

NY T-1
January 20, 1967

[redacted] Brooklyn District Attorney's Office, Brooklyn, New York, on January 20, 1967, advised that a single individual who claimed to be a member of the NRP, was distributing literature of an anti-Negro and anti-Jewish nature on the streets in Brooklyn, New York, on that date. In substance, the literature made remarks about food articles and products indicating "K" for Kosher on some items which stated the Kosher items were over-priced and the purchasers were being "fleeced" by the Jews because the distributor had to pay a Rabbi to get the Kosher seal. [redacted] stated this individual had been reprimanded by him and released.

Several individuals from the NRP demonstrated on February 4, 1967, from 2:00 to 4:00 p.m., in front of Random House Publishers, New York City, and passed out leaflets against the book "The Passover Plot" which was being published by Random House.

The NRP held a counter-picketing with other unknown conservative groups at 44th Street and Broadway, New York City, on June 3, 1967, to protest the picketing taking place across the street by individuals who opposed the war in Vietnam. One of the signs carried by the NRP read "the only Communist is a dead one, Victory in Vietnam". The anti-Vietnam demonstrators were described as "Peace Creeps" and "Beatniks".

NY T-1
June 9, 1967

On March 4, 1967, JAMES MADOLE, of the NRP, stated that the literature distribution, type unknown, to be handed out on March 4, 1967, did not take place because there was not enough literature to pass out. The source could furnish no additional information.

NY 105-6112

NY T-1
March 8, 1967

The NRP planned to picket the Biltmore Hotel, 43rd Street and Madison Avenue, New York, New York, on March 16, 1967, in protest against DAVID BEN GURION, former premier of Israel, who would be the honored guest at a B'nai Brith banquet at the Biltmore Hotel on that date.

NY T-1
March 12, 1967

The picketing of DAVID BEN GURION was called off by JAMES MADOLE, NRP leader on March 16, 1967, just prior to the time it was scheduled to commence. No reason was given for this action.

NY T
March 17, 1967

A planned picketing of DAVID BEN GURION, to have been held at the Biltmore Hotel, New York City, on March 16, 1967, where GURION was staying was cancelled. It was stated that the demonstration was to be held because GURION was in the United States to ask for money for the State of Israel but when JAMES MADOLE of the NRP could not find out the time he would make the appeal for the money, the picketing was called off.

NY T-1
March 16, 1967 and
March 21, 1967

On March 28, 1967, a group called the American Committee on Africa (ACA) held a demonstration at 3:30 p.m., at 1 Chase Manhattan Plaza, New York City, which consisted of 25 placard carrying pickets denouncing loans to the white people of South Africa by the Chase Manhattan Bank. At the

NY 105-6112

same time, 4 members of the NRP were observed across the street from the demonstration where they orderly passed out literature pertaining to the NRP.

NY T-3 and
NY T-4
March 28, 1967

There would be a counter-demonstration by the NRP on April 15, 1967, at 59th Street and Sixth Avenue, New York, New York, at 11:00 a.m., to counter the demonstration and march for peace to be staged by the "peace creeps".

NY T-1
April 7, 1967

On March 28, 1967, "The Worker", an East Coast Communist newspaper, indicated that a committee entitled "Committee for the 81st celebration of May Day" had been formed and would sponsor the annual May Day celebration in Union Square, New York, New York, on May 1, 1967.

On May 1, 1967, Special Agents (SAs) of the Federal Bureau of Investigation (FBI) observed the annual May Day proceedings at Union Square, New York, New York, which proceeding began at 4:30 p.m., and terminated at 7:15 p.m., the estimated crowd being between 1,500 and 2,000 people.

A counter-demonstration was conducted by about 10 individuals of the NRP who shouted anti-Communist and anti-Jewish slogans. The counter-demonstration began at about 5:00 pm. A scuffle developed between the NRP group and people from a building occupied by the International Ladies Garment Workers Union (ILGWU) at which place a union election was in progress in that building. The individuals from the ILGWU saw an individual carrying a sign with an anti-Jewish slogan, singled him away from other NRP members and began beating this individual. The New York City Police Department (NYCPD) disbanded the scuffle with mounted police. No arrests were made and the NRP was forced by the NYCPD to move their counter-demonstration to the opposite corner. The NRP group departed at

NY 105-6112

about 6:45 p.m.

Some of the signs carried by the NRP read as follows:

"Zionism is treason"
"Kill the Red Peace Creeps"
"America for Whites"
"KARL MARX was a Jew".

Literature in support of the United States troops in Vietnam would be distributed by the NRP on May 13, 1967, during the parade to support the Vietnam War to be held in New York City on that date, at 12:30 p.m., at 62nd Street and Third Avenue, New York, New York.

NY T-1
May 17, 1967

The NRP scheduled a protest rally at 192nd Street and Grand Concourse, Bronx, New York, at 1:00 p.m., on July 4, 1967. Participants were expected to burn a couple of Viet Cong flags and to generally protest the activities of the individuals who oppose the United States policy in Vietnam. The NRP is in favor of the United States policy in Vietnam and want to exhibit their support of this policy.

NY T-5
July 3, 1967

According to the records of BSS, NYCPD, which were checked by SA [] on July 5, 1967, there were a few individuals at the above mentioned demonstration, all of whom paraded in an orderly fashion. According to BSS, there were no incidents, no burning of any Viet Cong flags, and no arrests were made as the activity lasted for a very short period of time.

At 6:05 p.m., on July 15, 1967, there were six unidentified white men distributing literature on Myrtle Avenue, Brooklyn, New York, in the area bounded by Gates Avenue and Fresh Pond Road. One circular was captioned "Has your mother been Raped yet", and set forth various crimes committed by Negroes. A notation at the bottom informed the reader that further information was obtainable by contacting the National Renaissance Party, 10 West 90th Street, New York, New York.

NY T-6

Forthcoming Activity

"The Evening News" in an article entitled "Police Plan Readied for NRP Rally", which appeared in its July 14, 1967, edition on page 2, indicated the NRP planned to hold a rally at the Orange County Courthouse, Newburgh, New York, on July 29, 1967, and that the Newburgh Chapter of the National Association for the Advancement of Colored People (NAACP) planned to counter-demonstrate because the NRP was anti-Negro and anti-Jewish. The article continued that Newburgh City Manager PAUL L. MC CAULEY stated preliminary plans for police disposition at the rally have been completed and that city and state police as well as deputies from the Orange County Sheriff's Office would be on hand to maintain order.

The "Times Herald Record" in its edition of July 12, 1967, on page 8 contained an article "Newburgh NAACP Maps Protest of July 29 rally by neo-Nazi NRP". This article related that the acting president of the Newburgh Chapter of the NAACP, TYRONE CRABB, said the protest has the endorsement of the National NAACP and that the local chapter will be bolstered by members from other areas. CRABB promised that "the National (NAACP) organization was ready to come into Newburgh at the drop of a hat". The NAACP local chapter also claimed discrimination against Negroes employed at the United States Military Academy at West Point, and strengthened its stand against Broadway merchants in Newburgh, New York, who do not hire non-white personnel. The NAACP took issue with the city's Human Relations Committee. A member of the NAACP and the City Human Relations Commission, suggested that the

NY 105-6112

NAACP place rebuttal speakers on the platform with the NRP. In addition, CRABB accused West Point of discriminatory practices in hiring civilian personnel and the assignment of military staff and charged that the West Point Band "showplace of the country" contained no Negro members. He stated West Point could not claim there were no qualified Negro applicants because music is one of the Negro's attributes. The group pledged to put pressure on "the uptown stores" to hire Negroes and CRABB said that "Outside of a few... the stores are all lily white." He stated he wanted action and if it means throwing up picket lines and "tying" up banks, he wanted to see it.

The NRP planned a demonstration at the Orange County Courthouse, Newburgh, New York, from 7:30 p.m., to 10:30 p.m., on July 29, 1967.

NY T-1
July 19, 1967

On March 19, 1967, it was stated the NRP would hold a meeting in Boston, Massachusetts, during the summer of 1967, which meeting is to be held at the invitation of an undesignated right-wing group in Boston.

In addition, it was stated that the leader of the NRP was going to speak in Bridgeport, Connecticut, during the summer of 1967.

It was further stated that members of the White Party of America (WPA) would also participate in the Boston, and Bridgeport meetings. This source could furnish no additional information.

IV. FINANCES

MEMBER OF SUBJECT ORGANIZATION

Funds are obtained from FREDERICK ~~WEISS~~, an NRP member from Middletown, New York, and from financial contributions made by other individuals from time to time. Small contributions are received from NRP members at meetings and JAMES MADOLE obtains some money from the sale of books written by other individuals and recommended for reading by MADOLE. There is also some profit made from bulk orders of reprints of pamphlets and leaflets distributed by the NRP.

NY T-1
July 11, 1967

On March 4, 1967, an individual who has some knowledge of the NRP, stated that a [redacted] who has attended meetings of the NRP in the past, but who was not further identified, renders strong financial support to the NRP. V. PUBLICATIONS AND LITERATURE

1. An 8½ inch by 10 inch printed leaflet bearing the name of the National Renaissance Party, New York, New York, contained a sketch of a young Negro male attacking a white female child with the following printed thereunder: "The Right to Rape Your Daughter". The leaflet reprinted articles which appeared in various newspapers pertaining to Negro crimes of rape and knifings which occurred in the recent press. At the bottom of the form appeared the following statement, "White Man,

NY 1056112

How much does it take to make you Fight? Join the NRP and Fight for your race". The leaflet then states for more information communicate with the National Renaissance Party.

NY T-1
February 28, 1967

2. An 8½ by 10 inch printed leaflet containing a photograph of the cover of the book "The Passover Plot" as written by Dr. HUGH J. SCHONFIELD plus an article which states that the above book is being distributed by Random House. This leaflet reprinted an advertisement for the above book which is as follows:

"The Passover Plot" asserts - and presents detailed documentation as proof - that Jesus planned his own arrest, crucifixion, and resurrection; that he arranged to be drugged on the cross, simulating death, so that he could later be safely removed, revived and thus bear out the Messianic prophecies. Never before has a book stirred so mighty a tempest as this. We urge you to read it first, then argue - Washington News".

The leaflet then attacked the above reprinted advertisement by claiming the above book was "The Plot to Destroy Christianity" claiming that Satan and his invisible force hate the name of Jesus Christ more than anything in the universe. The leaflet stated that Satan in these latter days has employed every seductive and deceptive force at his command, to destroy your belief in Jesus Christ.

NY T-1
March 21, 1967

3. An 8½ by 10 inch printed flyer soliciting membership in the NRP contained the following information:

"The National Renaissance Party which has the reputation of a direct action organization rather than a debating society or a right-wing letter writers club is addressing this recruitment leaflet to every physically fit White American between the ages of 16 and 40. The Security Echelon (SE) section of the NRP is being organized to defend White neighborhoods from rampaging Black Mobs and

NY 105-6112

to counteract the hordes of filthy Jewish Beatniks, sexual deviates, and Communist organizers whose Peace Parades in all major American cities are stabbing our heroic fighters in Vietnam between the shoulder blades.

"The John Birch Society will not free America from these marching hordes of malcontents by writing letters to their Congressmen which are promptly filed in the waste paper basket or answered by form letters. The Conservatives and BILLY JAMES HARGIS will not pray these marching columns of American Reds out of existence. Nearly half the world has fallen under the Red Banner and still these nincompoops keep hollering out their prayers interspersed with fund raising appeals.

"Our elected officials will only pay heed to their right-wing constituents when they see the blood-crazed hordes of Black revolutionaries which have spread a reign of fear and terror in Los Angeles, Chicago, Cleveland, Philadelphia, Rochester, et cetera, beaten into the ground by thousands of equally fanatical young white men in the gray, black, and gold uniforms of a militant white man's party. When⁷ the fanatical disciples who shriek "Burn Baby Burn" and "Let's Kill Whitey" are driven back into their primitive Black environment by infuriated thousands of Whites, politicians will stop licking the boots of their Jewish taskmasters and help the National Renaissance Party to build a White Man's empire from the Arctic Ocean to the Gulf of Mexico. ✓

"Only uniformed masses of young White Patriots can hope to achieve the unity of purpose to force our politicians to mend their traitorous ways. Apply for an interview to join the SE of the NRP....."

VI. NRP WINS COURT CASE

"The Evening News", a local newspaper of Newburgh, New York, in its issue of June 16, 1967, on page 1-A, contained an article entitled "Appeals Court Grants Use of Courthouse to NRP", which related that the New York State Court of Appeals granted the NRP permission to use the Newburgh, New York, courthouse. A decision of an appeal to the United

NY 105-6112

States Supreme Court was made inasmuch as the permission to use the Courthouse was resting with the Orange County Board of Supervisors. County Attorney THOMAS A. HADAWAY stated he would discuss the decision with the Board's Building Committee so the committee would recommend a course of action on which the full board would act. JAMES MADOLE, National Director of the NRP in New York City, stated he would await word on the county's decision on appeal before applying for use of the courthouse. The appeal would hold everything in abeyance until a decision was reached.

The "Times Herald Record", a local newspaper of Middletown, New York, in its issue dated July 6, 1967, on page 5, contained an article entitled "Orange Committee Ignores Appeal Avenue in NRP Case", which related that Orange County would not try to halt a scheduled NRP rally at the Newburgh, New York, courthouse. The article related that the board of supervisors' influential buildings and insurance committee decided to submit to a court order directing the county to let the NRP use the courthouse and County Attorney THOMAS R. HADAWAY declined to recommend that the board take its only remaining out, an appeal of a State Court of Appeals decision on which the court order was based. The article related that after a two-year battle, and in three courts, the NRP finally won its case.

VI. AFFILIATION WITH OTHER ORGANIZATIONS

JAMES MADOLE of the NRP of New York City, was expected to be a guest speaker before a group called the "White Party of America" in Alexandria, Virginia, to be held on March 19, 1967. The source could furnish no additional information.

NY T-7
March 6, 1967

On March 13, 1967, ~~KARL~~ ALLEN, a self-admitted leader of the White Party of America (WPA) visited the FBI office at Alexandria, Virginia, and advised that his office would be campaign headquarters for the "WALLACE for President" campaign commencing on March 20, 1967. He stated the WPA is a racist-type organization with approximately 50 members, the majority of whom are from the Metropolitan area of Washington, D.C. He stated the WPA is political in nature,

NY 105-6112

non-subversive, and adheres completely to the constitution of the United States.

ALLEN stated JAMES MADOLE of the NRP in New York City, and nine others would attend a WPA meeting in Alexandria, Virginia, on March 19, 1967, where MADOLE would be a guest speaker.

On March 19, 1967, JAMES MADOLE the leader of the NRP from New York City, gave the principal speech before the WPA, Alexandria, Virginia, at which time MADOLE's speech consisted of words of hatred against the Communists in the United States.

NY T-7

March 21, 1967

A group of ten men, from the NRP in New York City, visited a meeting of the WPA on Sunday, March 19, 1967, in Alexandria, Virginia, and JAMES MADOLE, the NRP leader gave the principal speech which consisted of words of hatred against the Jews, the Negroes, and the Communists, in the United States. No other racist organizations were represented at this meeting and no plans for rallies or other functions were formulated for the future.

NY T-7

March 21, 1967

Prior to the WPA meeting held in Alexandria, Virginia, on March 19, 1967, JAMES MADOLE of the NRP met with the WPA leader to ascertain the feasibility of combining with the WPA in future rallies planned by the NRP in New York City. The WPA leader thought this to be a good idea stating it would be a nice idea to take some WPA members to New York City to speak at some rallies. It was discussed that the WPA has an office in Washington, D.C., 2 offices in Maryland, and 1 office in Virginia, but that there were not enough WPA members in New York City to warrant an office in New York City, but that consideration was being given to opening an office in New York City, in the future.

At the WPA meeting held on March 19, 1967, at Alexandria, Virginia, JAMES MADOLE, leader of the NRP gave a speech. He spoke about the Negro and Jewish problems in the United States, stating that the Christians of America, are being exploited by the Jews. He stated the Negroes of America gained their power through the Jews who control them. He stated the Wall Street Jews do not want to end the war in Vietnam because they will lose billions of dollars. He added that the gentiles make-up almost the entire army force in Vietnam because the Jews of draft age, have obtained college deferments. He stated President JOHNSON does not want to end the war in Vietnam in order to keep the Jews happy. He said the Jews are trying to take over the country with the Negroes as "lackeys" under their control. He added that the Jews in 1913, started to take over the government by the institution of the Federal Reserve Act whereby they could have greater control of the country's money even though Congress should have this control. He stated the white people of America are to be blamed because this country is being destroyed right under the noses of the white Christians. He added that the white people made America great, but they are letting Jews take it away.

After this speech, MADOLE got a standing ovation.

1.

NATIONAL RENAISSANCE PARTY (NRP)

On July 28, 1966, a source advised that the National Renaissance Party (NRP) was founded in 1949, by JAMES H. MADOLE, who continues to serve as its National Director and is in complete control of the NRP.

The source further stated that the NRP has its headquarters in the residence of JAMES H. MADOLE at 10 West 90th Street, New York, New York. Weekly meetings are held at this location on Thursday evenings.

The source described the NRP as an anti-Negro, anti-Semitic and neo-Fascist organization.

This source stated on July 28, 1966, that JAMES H. MADOLE, as of October, 1965, distributed a printed "program of the NRP", which program had as its announced purpose the establishment of a "Racial Nationalist State". According to the program, this would be accomplished by calling a Constitutional Convention to ratify the necessary amendments to the United States Constitution in order to carry out the NRP program for the establishment of a "Racial Nationalist State".

This source further advised that as of July 28, 1966, this "program of the NRP" remains in effect and that the anti-Negro and anti-Semitic nature of the NRP is exemplified by the following excerpts from this program:

1. Enact and rigidly enforce legislation to restrict the benefits of American citizenship to mentally and genetically sound members of the Caucasian race.
2. Enact legislation to prohibit intermarriage between white and non-whites.

NATIONAL RENAISSANCE PARTY (CONTINUED)

3. The Jewish race shall be deprived by suitable legislation of their American citizenship and shall henceforth be prohibited from holding any professional, political or educational posts within the Racial Nationalist State. The Jew constitutes an alien virus in our national bloodstream and, as such, he must be purged from our cultural, economic, and political life.
4. Enact legislation to hasten the repatriation of American Negroes to the newly independent black nations on the African continent under the auspices and guidance of black nationalist leadership in the United States.
5. The establishment of a selective immigration policy whose primary purpose is to attract the best European racial stock to the North American Continent in order to utilize their vast energy and talent in the task of creating a dynamic, expanding White Empire capable of withstanding the encroachments of the primitive, colored world led by the Oriental colossus, Red China.

APPENDIX~~CONFIDENTIAL~~1.WHITE PARTY OF AMERICA

On September 16, 1965, Karl Rogers Allen, Jr., who identified himself as the leader of the White Party of America (WPA), advised that he, along with several other former members of the American Nazi Party (ANP), formed the WPA during the early part of 1964, in order to advance the cause of the white man in the United States and eventually throughout the world.

This organization was officially launched on April 11, 1964, when it sponsored picketing in Washington, D. C., Richmond, Virginia, and Baltimore, Maryland, in opposition to civil rights legislation and civil rights demonstrations. Its national headquarters was transferred from 1216 New York Avenue, N.W., Washington, D. C., to 1019 King Street, Alexandria, Virginia, on April 1, 1965.

It was initially the aim of the WPA to sponsor picketings and demonstrations where it was believed such would be of value and to publicize its program through pamphlets and similar media. The WPA has been inactive due to a lack of funds and its only publications to date have been the April and May, 1964, issues of its official publications, "The White Letter."

He added that the WPA is still in the formative stage but it will uphold the Constitution of the United States and will always act within the limits of the law. He noted that the WPA will serve as a "home for people who want to preserve the white race" and cannot find a home for themselves in either of the major political parties in the United States.
